# SCHOOL PROGRAMS RE-INSTATED

On Thursday, January 25th, the Antioch High School Board held a special meeting, during which time they agreed to reinstate all of the previously discontinued programs as well as hiring seven teachers to replace the ones that had been let go at the time of the cutback. The board also agreed that for the next five years, they will put aside \$100,000 annually, in order to retire the present debt, within that span.

It was announced that due to the passage of the referendum the tax increase will total \$290,000. Because of this increase the following Educational Fund priorities were set up, which total about \$104,000:

#### Curriculum

1. To permit students who would benefit educationally to enroll in five academic subjects. The cost for this addition has not yet been estimated.

2. To add power mechanics, rather than to attempt to increase teachers in the present shops. This will require one additional teacher and its cost is estimated at \$18,500.00.

#### Extra-Curricular Activities

1. To return dropped extra-curricular activities. This was made as a general statement, but each will be reviewed separately. The total estimated for all of the activities dropped is \$27,000. The activities to be considered are:

Athletic Department - Coaching increments, equipment, supplies, fees, etc., bus expenses, bus drivers, chaperones and ticket sellers, custodial overtime.

Activities - Color Guard sponsor, GAA assistant sponsor, Cheerleader sponsor, Play sponsor, (three one-act plays), Yearbook, Student Council asst. sponsor, Junior Class prom chairman, Junior Class sponsor - concessions, Forensics (debate, speech contest), Forensics assistant, Fine Arts - instrumental, Science Club and Fair sponsor, FTA sponsor, Director of Summer Music, Summer Vocal instructor, school newspaper (increment and budget).

2. To introduce some interscholastic Girls athletics. This was estimated at \$2,500.00.

3. And lastly to drop athletic participation fee, which will cost the school \$2,500.00.

#### Personnel

1. To add sufficient staff to cut down on current overload of eight (8) teaching periods, which will require 2 teachers and is estimated at \$11,500.00.

2. To review additional teacher needs based upon increase in student population. Regaining 2 teachers plus the workshop teacher already men-

tioned above. This will total \$17,000.00.

3. To replace Guidance Counselor cut last year. Costing the school \$11,000.00

4. To allow for classroom visitation and supervision, by bringing relief to student affairs at the Dean of Boys level.

5. To replace instrumental music instructor at a cost of \$8,500.

6. Review....Lay supervision and clerical staff.

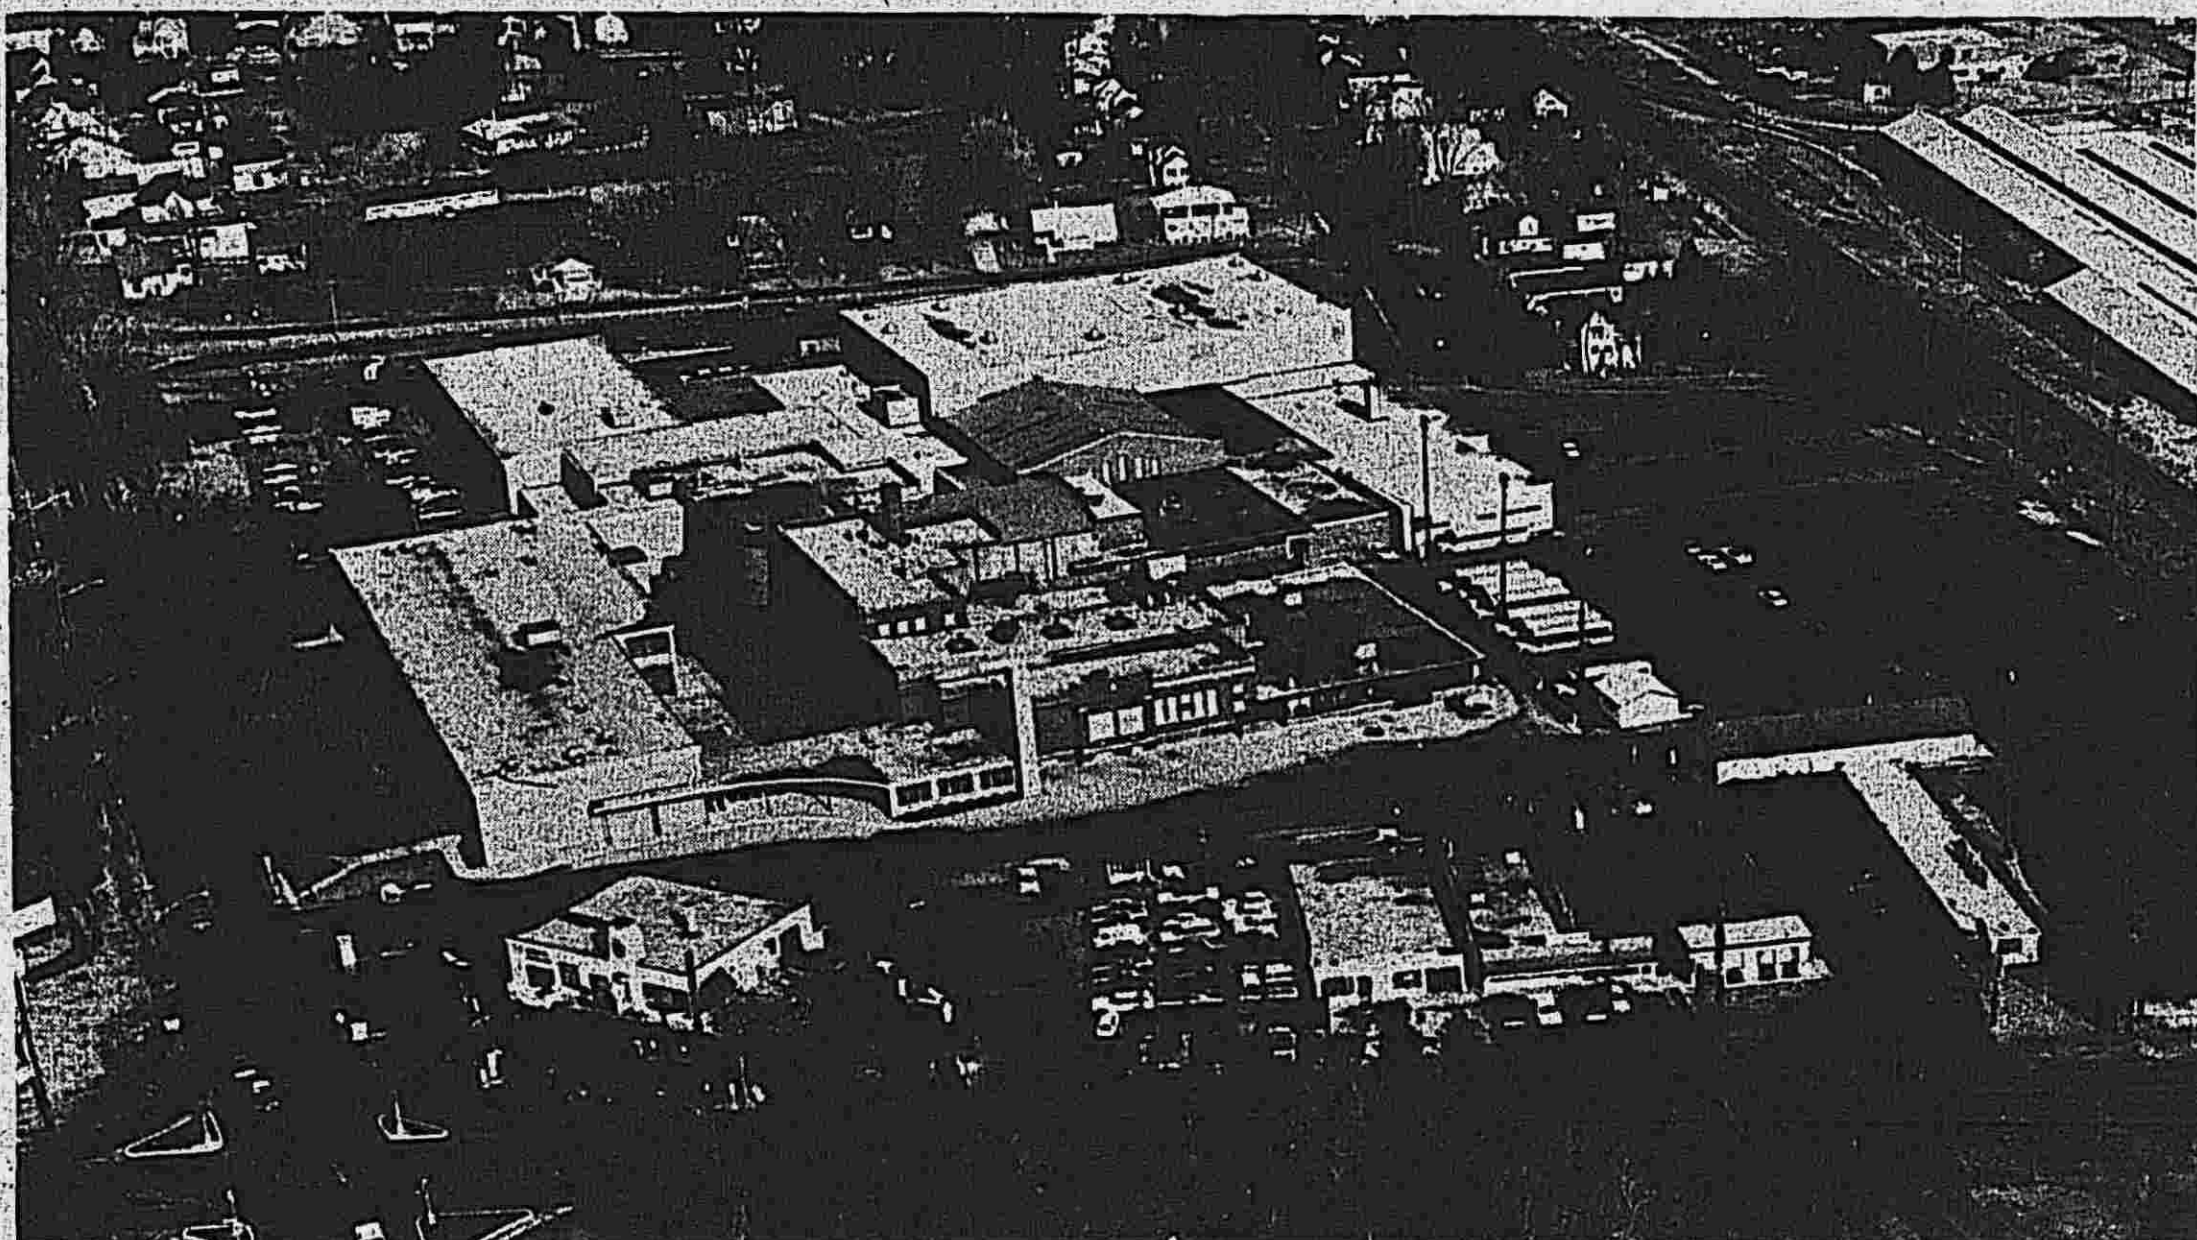

#### Other Priorities

1. To reinstate Adult Education program at \$1,000.00.

2. To reinstate partial telephone service for better communication and emergency needs at \$1,500.00.

The board passed the preceding Educational Fund Priorities as a package and then passed it on to the Budget Committee with the following motion that was made by Larry Fears and seconded by Mrs. Bette Meyer: "We would adopt the program as it is set and instruct the budget committee to stay within this program and to reduce where appropriate."

A budget committee was appointed and will consist of Robert Lindblad, as chairman, Larry Fears, and Dr. Bucar.

While traveling by car down Main Street it is difficult to grasp the actual size that Antioch High School has grown to over the last 15 years or so, but an aerial view may put its size into clearer perspective (Staff Photo)

# ANNEXATION - PROPOSAL

On Thursday, January 25th, Mr. Thomas Santino, developer of the Antioch Country Club, and his attorney, Robert Golding made a formal presentation to the Antioch Planning Commission on the proposed annexation of the Country Club land into the Village of Antioch.

Since a moratorium has already been placed on all annexation, it had been previously decided that the Antioch Country Club presentation would be made a matter of record to be considered at such time that the moratorium is lifted.

According to Mr. Santino, he was hoping to gain some insight as to the feelings of the Commission towards the possibility of annexation.

He asked Bob Bemis, Chairman of the Planning Commission, "Would the property be more desirable to the Village under straight zoning in preference to the planned development zoning?"

Bemis replied, "I don't know."

Santino then elaborated on his question, "Well as an example, we are going to develop 78 acres of the site, would the Village feel more comfortable under a multiple family zoning for that

particular site, and restrict it to the same number of units. We are referring to our planned development, and not deal with the rest of the open land. Would that be a more comfortable position for the Village because you do not have a planned development ordinance?"

And Bemis further elaborated his answer saying, "there will be no answers tonight."

Actually the PUD itself was not the main issue at the presentation, rather it's annexation to the Village took priority. The PUD as planned, has been formally presented on four different occasions and was first presented in September of 1971.

Therefore, the main body of the presentation consisted of reviewing the compiled data of the possible revenue derived from the development by the Village.

The development is scheduled to be built over a five to seven year span. During this time the total revenue derived from the development by the Village will reach \$726,900. This figure includes annexation fees, permit fees and tap on fees. After the development has been completed the Village will

receive the annual revenue of \$380,367. The breakdown of these figures is as follows:

#### Permit Fees

The permit fees were based on \$120 per unit and again were calculated on a seven year plan. If it is to be a five year plan these figures would be stepped up a bit.

1 year - 50 Units	- \$6,000 in permit fees
2 year - 150 Units	- \$18,000 in permit fees
3 year - 200 Units	- \$24,000 in permit fees
4 year - 200 Units	- \$24,000 in permit fees
5 year - 250 Units	- \$30,000 in permit fees
6 year - 300 Units	- \$36,000 in permit fees
7 year - 350 Units	- \$42,000 in permit fees

The annexation fees for the 249 acre area at \$500 an acre would total \$124,500.

Tap on fees relative to water tap on and sewage tap on in terms of Village revenue based on the existing Village rate would be \$180,620.00.

Projecting the sales tax at the level of \$6,000 per dwelling unit, referring to the sales that will take place within the Village

### GOLDEN EAGLE AND GOLDEN AGE PASSPORTS AVAILABLE AT POST OFFICE

The United States Postal Service has announced that all first and second class post offices will make Golden Eagle and Golden Age passports available to the public.

Antioch Postmaster Walter Barnas said the passports are wallet-size, calendar-year permits which entitle the bearer and any person accompanying him in a single, private, noncommercial vehicle to general admission to designated units of the national park system and national recreational areas.

Postmaster Barnas said the passports will be available in Antioch beginning January 18, 1973.

"These passports differ in that the Golden Eagle will be available to any person upon payment of a \$10.00 fee," he said. The Golden Age passport will be issued without charge to any person 62 years of age or older who applies for the permit.

"The Golden Age passport also will entitle the bearer to utilize certain recreation facilities within the park and recreation areas at a rate of 50 per cent of the established daily

use fee," he said.

Both permits are non-transferable.

Postmaster Barnas noted the passport program is being conducted in cooperation with the U.S. Department of Interior "and is a fine example of how two government agencies can work together effectively to better serve the public."

### ADVENT OF SELF-SCHEDULING

The area high school students enjoyed the unusually nice spring-winter days last Thursday and Friday as classes had been cancelled both days. The reason was to free the teachers from their teaching responsibilities so they could participate in two vital in-service programs.

The first program, which took place on Thursday, was centered around career education. The purpose of the programs was to help the teachers learn more about career education and how it fits into the broad spectrum of education.

One of the important ideas the program stressed was that career education does not fit into a neat little slot of its own, rather it is part of the whole picture. It is something that should begin in the pre-school days and should be carried on through, but not on a formal education basis.

In the past career education has been associated with vocational education and people tend to think of various trades, etc. and this is invalid thinking. Guest speakers were from the Office of the Superintendent of Public Instruction, Division of Vocational and Technical Education, and included Howard E. Avery, Head Consultant, for Special Programs, Springfield, Lynn D. Trout, Consultant, Special Programs, Springfield, and Jackie Lamb, Special Programs, Chicago.

High School Superintendent Warren Polly said "As a result of the program a lot of action was stirred up and as a whole the teachers participated

### TWO GRADE SCHOOL BOARD OPENINGS

Two seats will be open for re-election on the Antioch Grade School Board. The two board members whose terms are up are Joan Toft, and Board President Jerry VanderMeer.

The first day for filing petitions for these seats is February 28th and the last day that petitions may be filed is March 23rd.

The two members are to be elected for full three year terms. The nominating petition and statement of candidacy shall state whether the candidate is seeking full term or a specific unexpired term giving length of unexpired term.

Elections will be held on April 14th.

### PLAZA TEXACO UNDER NEW OWNERSHIP

The Antioch Plaza Texaco Station is under new management as of last Thursday, January 18th. The new owner is Mr. Harold Weitz, an area resident. Weitz is originally from Chicago, and has previously owned a Gulf Station in Milwaukee.

Business has been fair so far for the only Texaco station in Antioch, but Weitz feels that his location is a good one and business will grow. The station maintains a garage for tune-ups and small repairs, and it also sells milk and several types of soft beverages.

A grand opening is being planned.

The above car belonging to Frank W. Newer of Orchard Street was extensively damaged as it was struck by another car last Sunday night (Police Photo)

### ACCIDENT TURNS UP MARIJUANA CATCH

Last Sunday night, January 28th, at 11:20 p.m. there was some action on Orchard Street between Hillside and David Street as a car spun out of control and hit a parked car.

When Sgt. Pett and Officer Miller arrived on the scene they found Howard J. Hansen, 21, of McHenry and Charles Filip, 20, of Ingleside, were involved in an accident. Their car, which was driven by Hansen, hit a parked car and then careened off of it and struck a public service poll cracking it off at the top.

The Antioch Rescue Squad

was also on the scene and removed both of the young men to Victory Memorial Hospital. The driver suffered from head and facial injuries and the passenger suffered from a broken leg.

The parked car that was involved is owned by Frank W. Newer of Orchard St., and was damaged extensively.

The driver of the car, Howard Hansen, was charged with reckless driving and possession of marijuana. Further investigation is pending as both subjects are still in the hospital.

### TRAFFIC ARREST LEADS TO DRUG CHARGES

On Tuesday, January 23rd, Officer Zelinski made a traffic arrest involving William C. Kitterman of Antioch. Kitterman, an unlicensed driver, was brought to the Antioch Police department, and after two to three hours and many phone calls was unable to post the \$50 bond that had been set.

At this time the subject was advised he would be incarcerated until bond was posted. Officer Miller searched him

before locking him up and found a cellophane bag containing a leafy substance. A field test proved it to be marijuana. The evidence was taken to the crime lab for thorough analysis.

The subject was taken to the Lake County Jail and charged with violation of the Cannabis Control Act, which is illegal possession of marijuana. His bond was set at \$1,000. Further investigation is pending on the vehicle involved.

## EDITORIAL

### COMMENDABLE ACTION

Anyone who is aware or concerned about Antioch at all can hardly deny that the Village is undergoing some drastic changes. These are not the kind of changes that you look back and observe after a ten year period. Rather they are changes that can be readily observed on a daily basis.

These changes have mainly been brought on by the promise of rapid growth, which has led to some very serious situations for the Antioch as we know it, and confronted the Village board with some grave decisions.

A few weeks ago Antioch quietly passed through one of the gravest periods in its entire history. The crisis began when a letter was received by Village Engineer, Frank Angelotti from the State, stating that it was likely that Antioch would not receive the needed permission and grants to build their intended sewage treatment plant.

That letter raised the hair on many a head, while others were hardly aware of its significance. If the treatment plant expansion was denied, building in Antioch would come to a halt, since the sewers are presently at capacity. It would mean the end of the proposed area developments, such as the Curnes project, Pheasant Creek, CABL, etc., and more importantly it could have possibly meant the end of building private homes. There are approximately 700 appropriate lots in Antioch for that purpose. It would have also meant the end of Antioch as a prosperous community.

Mayor Toff began correspondence with State legislators immediately, but his efforts seemed to be fruitless. He then decided to take a more direct course and proceeded to Chicago, along with Frank Angelotti, who had originally drawn up the denied plans, to see if he could iron out the interfering problems.

Toff and Angelotti met with the Environmental Protection Agency (EPA), who were reluctant to give Antioch their approval for such a large and costly expansion. The reason for this reluctance was generated by the proposed County-wide sewer system that is being planned by Fox Lake and will include Antioch. The system is slated to be completed by 1975, but many or most feel this is a totally inaccurate figure and that the project will not be finished until the early 1980's. If Antioch had been forced to wait for the County-wide system, they would have been denied the most critical years of growth.

When all was said and done, the EPA, made a

### OUR CONGRESSMAN

#### URGES SUPPORT OF VIETNAM PEACE PLAN

"As Representative of a great Congressional District whose people have been yearning for peace in Vietnam, I am grateful to President Nixon and to Dr. Henry Kissinger for their persistence and skill in negotiating a peace with honor. The comprehensive and detailed provisions as outlined by Dr. Kissinger attest to the high priority which the President has placed on an enduring peace in Indochina.

We wait anxiously with the families of the prisoners of war who will be returning soon to us many of whom will be received at the Naval Hospital at Great Lakes. The peace settlement provides reasonable assurance against any further military involvement on the part of American Forces. This is consistent with the wishes of virtually all Americans.

Despite our rejoicing at this time, we must likewise reflect

on the dreadful sacrifices which the people of our nation have experienced; particularly by those men and women who have lost their lives or suffered serious injuries and imprisonment, and their families.

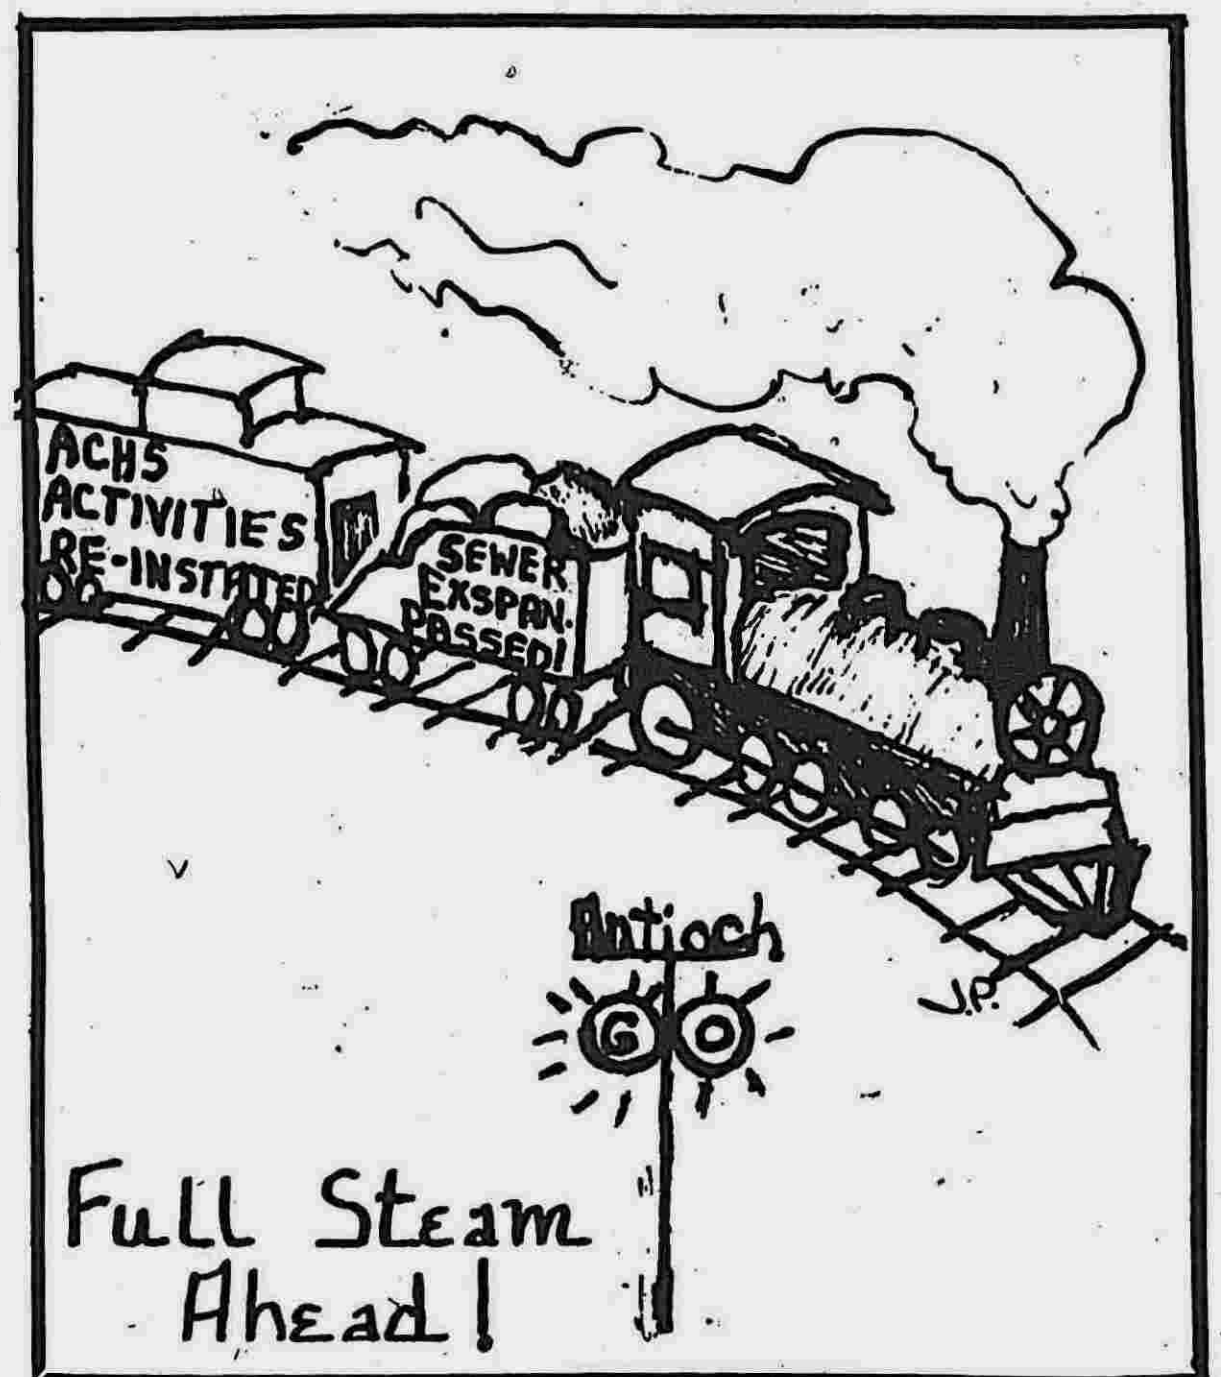

It is heartening to know that our foreign policy now has taken on new directions, and that hopefully we shall never again become militarily involved in a situation comparable to that which we endured in the long drawn-out Vietnam War.

Finally, it is my hope that both critics and friends of the Administration may join in support of the agreements and protocols which give reasonable assurance of self-determination and peace throughout Indochina. The terms of these documents appear to provide every opportunity for establishing a new era of international understanding."

Congressman McClory is among a group of United States

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

Representatives and Senators attending a conference in Helsinki, Finland, to discuss with legislators from Canada, Great Britain and the Western and Eastern European nations plans for reduction of military forces and establishment of more cordial relations between the NATO and Warsaw Pact nations. This parliamentary conference supplements meetings of diplomats from the respective countries, and is preliminary to a plenary session on mutual and balanced reduction of forces scheduled to take place later this year.

compromise with Antioch. If the Village would reduce the size and the cost of their development, then they would give their needed stamp of approval. The reason for these requirements is again related to the County-wide system. The EPA feels that if Antioch sinks a large amount of money into expansion, we would be reluctant to go in the County-wide system when the time comes.

A special board meeting was then held in which the board decided unanimously to authorize changes in the original plans. This was not an easy decision for the Board as there were so many things to consider.

To most, it seems a shame Antioch will eventually be forced to forfeit the sewage treatment center, that has served its residents so efficiently. The County-wide system will lose popularity points on the grounds that it will at least double the present water bills. It can be projected that with the advent of the new County system, those who are now paying a quarterly bill of \$15 will be paying from \$26 - \$30. Others have serious doubts as to the advisability of placing the power of the County-wide sewers in the hands of a few, arguing that those who control the sewers will control the County.

These changes will undoubtedly be seen in the future, but for the present time, the Board has wisely agreed to meet the required changes and we will more than likely be able to continue to grow independently for many years to come. The expansion may not be all that it was hoped it would be, but it will make prosperity in Antioch possible.

Although you may not agree with everything your village trustees and mayor do, this time they deserve your vote of confidence for their concern and course of action on behalf of our village.

## ON DISAPPEARING FARMS

"Our Farmers round, well pleased with constant gain, like other farmers, flourish and complain."

George Crabbe, 1754-1832

VS

"The assessed evaluation of our land keeps rising and as it does, our property tax increases to the point that is more profitable to sell the land than it is to farm it."

Richard Wells, 1973

Early last Tuesday morning Mrs. Richard Wells strolled out to their barn next door. It was as familiar to her that morning as it had been throughout her married life. This was the barn that housed the 34 dairy cows from which the family derived their living. But things were not the same that morning as they had been in the many years gone by, and they would never be the same again. The milk laden cows were gone and only a few kittens roamed the very vacant barn, that was recently stripped of all of its vital equipment and machinery.

It was a sad day for Mrs. Wells, her husband and her family; a day that was to see many mixed emotions. This was the first day of a new life for them all. For Gordon Stade, the auctioneer from McHenry, had visited the barn on the rainy day before and cried out loudly for the best price on the many things that the Wells' held so dearly. Everything was to go from the 52 Holstein cattle to the thousands of bales of stored crop hay and straw, not to mention all the dairy equipment, tractors and farm machinery, including fence posts, feed bags, poultry equipment and on and on. The auction drew a large crowd despite the rain and the gripping masses of mud, and before long all was gone. The life-time accumulation of Richard Wells and his father, Curtis before him, had departed in different directions, never to be gathered again.

So ends the farming career of Richard Wells, it ended quietly without any pats on the shoulders or even a gold watch for a job well done. A new way of life for Richard and his family is now beginning although its course has not yet been decided on. They feel fairly sure it will not be in the farming business.

This story has been re-enacted many, many times all over the county and all over the States for that matter, within the last ten years or so. Within Antioch and Lake County there are only a mere half dozen dying farmers left, compared with many times that number a decade ago.

Wells cited many reasons for the disappearing dairy farmer. He feels the biggest problem the dairy farmer faces is finding hired help, which is a difficult commodity to find. Farmers just can't afford to pay the going wage rates, and the hours are long and hard as farming for the most part is a seven-day a week job.

Prior to this time the farmer used to rely on his sons to help out, but the farming life-style more than often is not desirable to the new generation. They are offered so many opportunities in so many fields. The farmer in the past could draw help from neighboring farms, as they

would work together. This is no longer done. Many of the area farmers have now grown older and sold their farms, but have retained their farmhouse. The land then is either crop farmed by another or sits and awaits a future use. The close helping bond between the farmers is broken and a new unknown source for help must be found. Assessed property evaluation is another thing that hurts the surviving farmer. As the land around him is sold and consequently developed, his own property will increase in value, and this increase will bring bigger and bigger property taxes. Soon the farmer will find that it is more profitable to sell his land than to farm it.

The farmer has two choices. He can sell his farm and move completely out or he can rent the land if possible, and continue his work, minus the overhead of the heavy tax. This second choice has, it seems, become a common practice among farmers, but it is not desirable to most since the security of your own land is lost and leases do run out.

So much has been said about the way Antioch has been growing and changing due to the many developments. These changes should be seen in more than the police department, fire department, the schools, and the sewers. They should also be recognized as affecting the farming industry, which had been the backbone of our country as well as Antioch. And a question should be answered, "What will happen when the independent farmer has finally disappeared from our society?"

## BANKERS VOTE TO RETAIN UNIT BANKING IN ILLINOIS

Delegates voted today to retain the unit banking system in Illinois at a special convention of the Illinois Bankers Association.

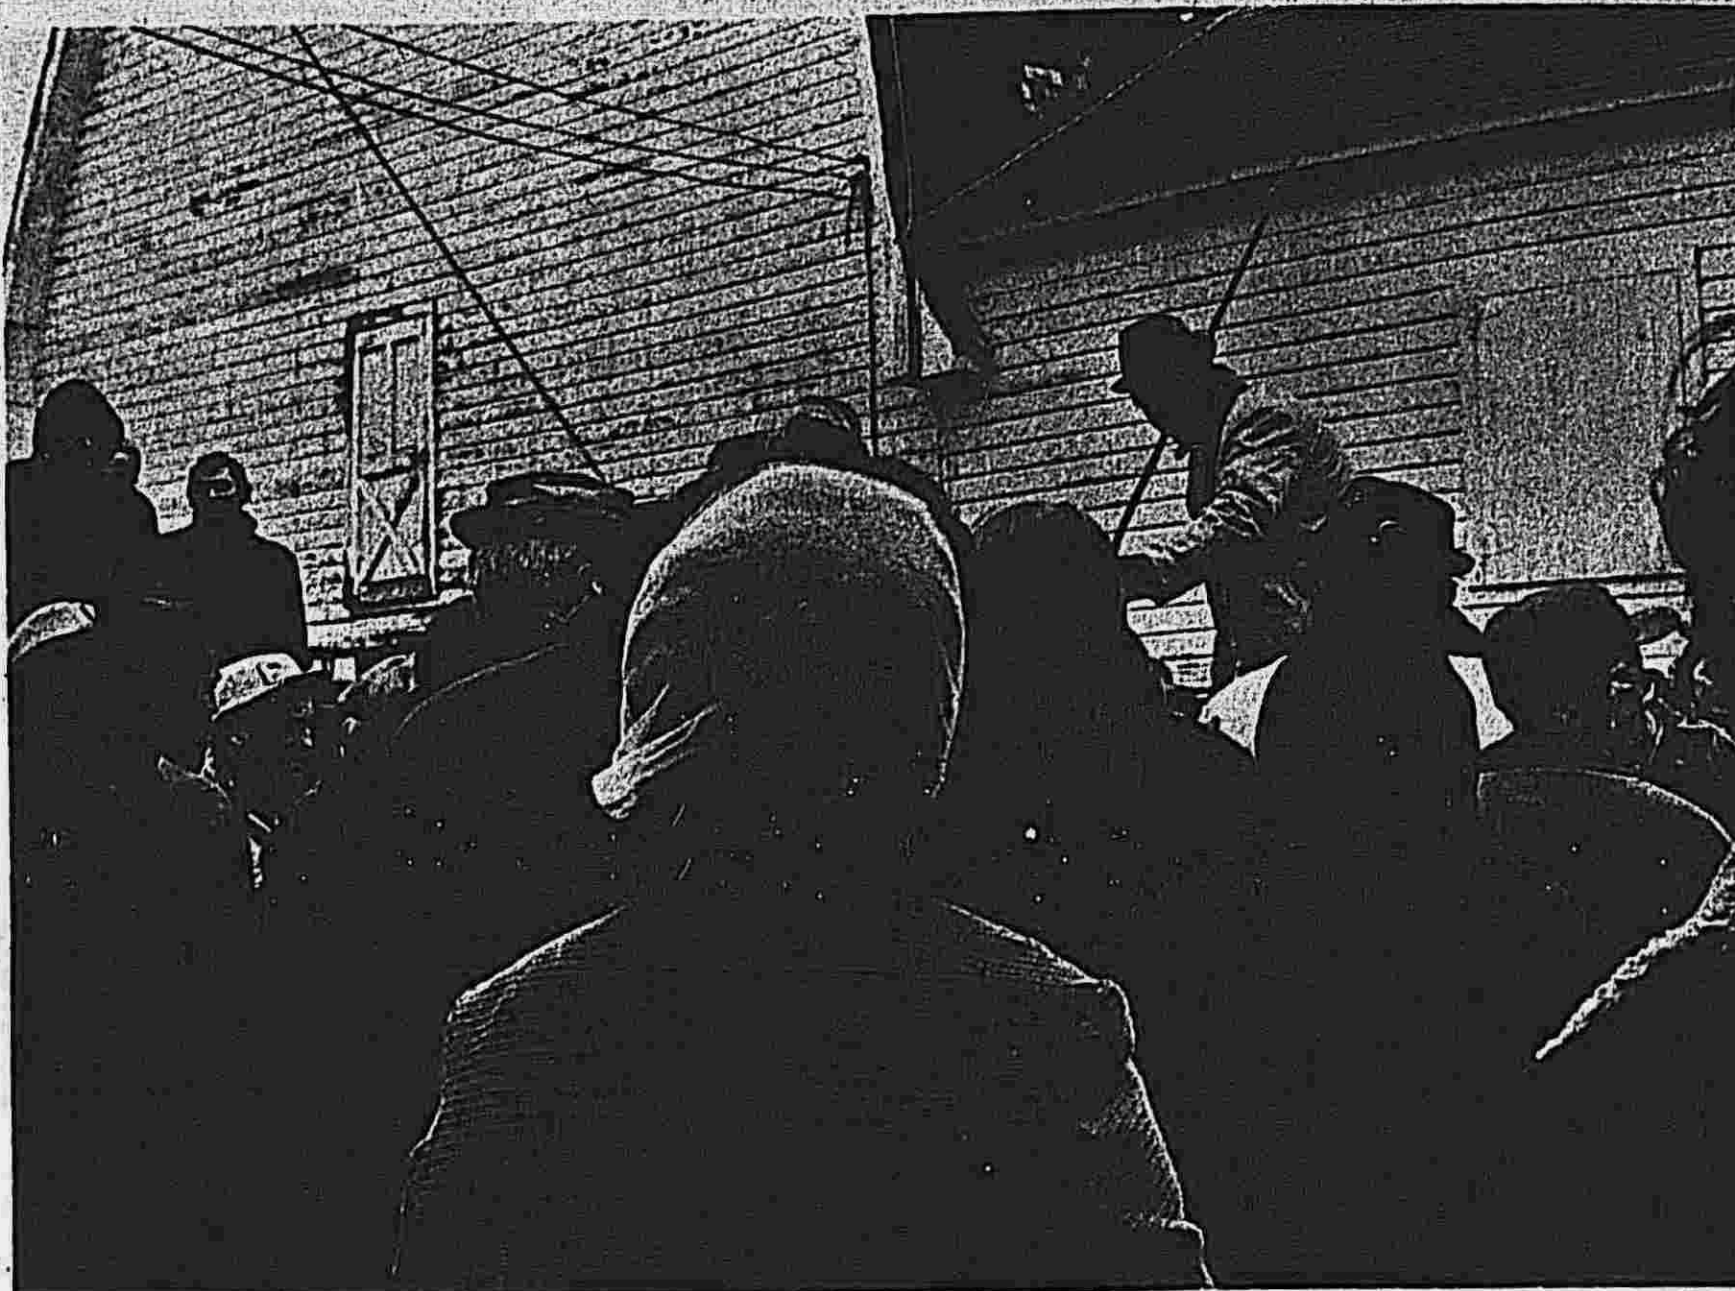

To do so, the delegates rejected a report of a special study committee on banking structure and its recommendations, which include provisions for a limited form of controlled multi-unit banking.

"The majority has voted to maintain the unit banking system in Illinois," said John F. McKnight, president of the Association, who announced the results of the delegate vote.

"The action of the delegates upheld the Association's declaration of policy supporting the unit banking system in Illinois, a position which was affirmed at the Association's 81st Convention, May 23, 1972," he said.

"However, in view of the changing conditions in the competitive relationships between banks and other financial intermediaries in Illinois, improvement of the banking structure is indicated," added Mr. McKnight.

"Therefore, a Committee on Banking Structure will be appointed to further study and develop recommendations which may be acceptable to the membership at a future date," he said.

Gordon Stade, an auctioneer from McHenry stands on the top of an old wagon as he auctions off farming equipment belonging to the Richard Wells family. (Photo by Kathy Kauss)

Despite the ever present rain a large crowd gathered at the Wells auction and before long the many items had been sold and carted away as another area farm passed into history. (Photo by Kathy Kauss)

## A NEWSMAN'S VIEW OF CONSERVATION

The fifteenth Annual Dinner and Meeting of the Lake County Soil and Water Conservation District will be held on Saturday, February 3rd, at 6:30 p.m. at the Farm Bureau, Routes 120 and 45 in Grayslake. Tickets for the hand-carved roast beef and chicken dinner (all you can eat!) are \$5.00 each. Everyone is invited to attend. Reservations may be

obtained by writing or phoning the District office, P.O. Box 555, Lake Zurich, 438-6319 or 438-5427.

Joe Kirby of the Waukegan News-Sun and WKRS Radio Station will be the guest speaker. His topic is "A Newspaper Man Looks at Conservation." A brief presentation on the importance of considering natural resource information in the zoning and

subdivision process will also be given.

All interested persons are urged to attend the dinner and meeting to become acquainted with the duties and activities of the District.

Directly after the dinner (7:30 p.m.), an election will be held for two Directors. All owners and-or occupiers of land within the District are invited to participate in the election.

## GRAYSLAKE BOY KILLED IN AUTO ACCIDENT

Curtis C. Dazis, 18, of 131 Hillside Avenue, Grayslake was pronounced dead on arrival at Victory Memorial Hospital, following a car crash on January 25, 1973.

The car accident occurred at 1:30 a.m. on Route 83, just south of Grayslake Road. Dazis' car was split in half and then caught on fire. The Antioch Rescue

Squad was called to the assistance, along with the Fire department who extinguished the fire.

The body was sent to the Strang Funeral Home, in Antioch, by request of the family.

A coroners jury has been set up to investigate the manner and cause of death. The case was handled by Chief Deputy

Coroner, John L. Aman.

The Antioch Fire Department answered another emergency call this past week. The fire took place on January 26, 1973 at 10:30. Greg Naro's tractor caught on fire, on Depot Street, because of wire shortages. The fire caused \$100 worth of damage.

## GARY AERNE JOINS WARREN REAL ESTATE FIRM

The real estate firm of Michael Warren & Co. announces the association of Gary Aerne with the firm as real estate salesman.

Gary has lived in the Antioch area for the past 11 years. He and his wife, Debbie, both graduated from Antioch High School. They are presently living at Loon Lake. Gary's father, Arthur, owns and operates the Hobby Barn in Antioch.

After graduation from Antioch High School, Gary attended the College of Lake County. He entered the Army in 1971 and received an honorable discharge in October 1972. Gary coaches the Antioch Upper Grade School's wrestling team, and also works with the Interact boys club which is sponsored by the Rotary Club. Debbie is

presently employed at the State Bank of Antioch. Gary has recently received his Real Estate Salesman's license and is now associated with the firm.

## BELL ASKS FOR RATE INCREASE

Calling its present earnings a threat to reliable telephone service, Illinois Bell Telephone today asked the Illinois Commerce Commission for approval of revised rates.

D.C. Lesperance, Antioch manager, outlined the following proposed typical increases in monthly charges.

For Antioch customers whose

telephone numbers begin with the 395 prefix:

Residence - local area individual line from \$5.15 to \$6.15;

"Call-Pak 50" individual line from \$8.00 to \$9.25.

Business - local main line from \$11.35 to \$13.35; metropolitan service main line from \$15.85 to \$18.05.

## CORONER'S REPORT

After observing the 1972 Lake County's coroner report, few people could argue with the statement that a coroner's job is not an easy one. The years cases are broken down into the following categories.

From January 1st to December 31st the county coroner, Oscar A. Lind, handled 607 cases. Of these cases 327 of them were referred to doctor's after investigation, 208 inquests were held and 121 autopsies.

Various types of auto accidents led to 103 deaths. The largest amount of these deaths were due to two car accidents and totaled 45 deaths. One car accidents followed with 24

deaths, auto-pedestrian, 13, auto-motorcycle, 7, auto-train 6, semi trucks 4, auto-bicycle 3, and auto sled 1.

Recreational activities also took their tolls as there was 13 drownings, 1 bicycle death, and one snowmobile-iceboat death.

Eleven homicide deaths were reported as were 43 suicides.

Thirteen people lost their lives due to fire, 4 due to airplane accidents and 7 deaths due to construction.

The largest death toll was attributed to heart trouble as 309 lost their lives through heart attacks and heart failure. 72 were attributed to natural causes, 18 to cancer and there were ten crib deaths.

## FIELDS RECEIVES AWARD

Jim Fields of John Teresi Chev-Olds, Inc., 865 Main Street, Antioch was recently honored by qualifying for the 300 level Award in the 1972 Oldsmobile Vanguard program.

A car salesman, Fields has been with the company for a little over a year. The 300 sales

point level is rarely attained in the first year of selling. He will receive a supply of Vanguard business cards and a Certificate of Achievement for his efforts.

Jim lives in Antioch on Park Street with his wife, Gail and five children; Jody, Linda, Jack, Patty and Mike.

## The Time Machine

70 YEARS AGO, FEBRUARY 5, 1903

Uncle Joe Rinear celebrated his 82nd birthday at the home of Mr. and Mrs. B.F. Van Patten.

Mr. and Mrs. J.J. Morley entertained about 30 of their friends at a card party.

Miss Maude Brogran started Sunday for Winthrop Harbor where she has accepted a position as stenographer.

50 YEARS AGO, FEBRUARY 1, 1923

The estimates for the proposed alleys and improvement of Depot Street were mailed to the property owners Saturday.

Mr. Frank T. Fowler entertained over 30 Holstein Men of Lake County.

Grade School Happening - We are very sorry to hear that Billie Brook is ill with Scarlet Fever.

20 YEARS AGO, JANUARY 29, 1953

American Seating Co. are presently installing the auditorium seats for the high school auditorium. When the entire installation is completed, the auditorium will seat 620 people.

Mrs. Howard Gaston was named the new president of the Women's Auxiliary of St. Ignatius Church.

Lions Club held a Ladies Nite Party with over 150 people in attendance. The new president Homer LaPlant presented awards to the outgoing executives.

10 YEARS AGO, JANUARY 31, 1963

"All for One" an original musical written by "Mac Ryan" will be presented at the High School in a couple of weeks.

The engagement of Janice Hattendorf to Vernon Burdick was announced.

An open house was held for Joanne Osmond following the Mid-Year graduation of Loyola University on Sunday, January 27. She received her M.A. (Masters of Arts Degree) in the Loyola Exercise.

## WARREN AND PATROVSKY NAMED TO HASTINGS YMCA BOARD

Mr. LaVerne Woods, chairman of the board at Hastings YMCA Camp announced the

appointment of two new members to the Board of Directors.

Mr. Michael Warren, owner and president of the Michael Warren & Co., realtors. Mike is an Antioch resident. He attended Westmont College, is a member of Waukegan-Lake County real estate board and is president of the Antioch Rotary Club.

Mr. Joseph Patrovsky, owner of Antioch Packing Co. is a longtime resident of Antioch. His company has been supplying the meat requirements of the area from a very unique butcher shop-packing house combination for many years.

Both new board members have a strong interest in Hastings YMCA Camp. They feel the programs being presented by the camp are beneficial to a growing community comprised of Antioch, Lake Villa, Lindenhurst, Gurnee, Millburn, Grandwood Park and surrounding areas.

### MARGE GAA

#### ATTENDS FORD MARKETING INSTITUTE

Mrs. Marge Gaa, of Lyons-Ryan Ford Sales, Inc., Antioch, Ill., has just completed a Leasing Management Course conducted at Ford's Chicago Marketing Institute.

The course is one of a number offered by Ford Marketing Institutes to benefit Ford and Lincoln-Mercury customers by emphasizing after-purchase service and customer relations. Subjects range from management and merchandising courses for dealers and their

Taking part in the ceremonies at the Royal Neighbors Olson Camp Installation of Officers meeting were: (l to r) Velma Langosch, Installing Chancellor, Emily Novotny, Musician, Irma Hostetler, Installing Officer, Alice Lassen, Oracle and Dot Gelden, Ceremonial Marshal. Picture to the right is Penny Kovalenko, soloist for the evening. (Staff Photos)

## ROYAL NEIGHBORS INSTALL NEW OFFICERS

The Royal Neighbors Olson Camp met at the American Legion Hall on January 23rd. Installing Officers for the evening were: Irma Hostetler, Installing Officer, Dot Gelden, Ceremonial Marshal, Eva Fields, Assistant Ceremonial Marshal, Velma Langosch, Installing Chancellor also past Oracle of Lake Villa Royal Neighbors, Musician, Emily Novotny, and Soloist Penny Kovalenko.

The following were installed for the ensuing year: Oracle, Alice Lassen, Vice Oracle, Nancy Thayer, Past Oracle, Irma Hostetler, Chancellor, Myrtle Delany, Recorder, Laura Thayer, Receiver, Dot Gelden, Marshall, Gladys Wilton, Asst. Marshall, Eva Fields, Inner Sentinel, Val Gelden, Outer Sentinel, Gladys Lokke, Managers, Lillian Kufhus, Lillian Hand and Adah Nicholas.

### HARGETT JOINS ALLSTATE

Orval G. Hargett, 333 Oakwood, Antioch, Illinois, has joined the Allstate Insurance Companies as a Property Loss Adjuster in the Claims Department in the firm's Arlington Heights Office, 1216 E. Central Road, Arlington Heights, Illinois.

Flag Bearer, Thelma Buhrow, Musician, Emily Novotny, Faith, Alice Fritch, Modesty, Ellen Reekie, Unselfishness, Ellen Flint, Endurance, Leona Eppers, Courage, Pearl Anderson and Sunshine Fund, Bea Milz.

A huge cake was brought in to surprise our lovely Oracle Alice Lassen. It was all decorated with the emblem on it. Then Penny Kovalenko sang a few numbers and asked the friends and neighbors to sing along with her. Everyone had a lovely time. Alice Lassen presented each of her installing officers with a pin and earring set and expressed her gratitude for all the help she received during the year.

Birthdays for the month were: Effie Nelson, Lillian Kufhus, Adah Nicholas, Eva Fields, Gladys Lokke.

Our special thanks to Penny Kovalenko for the lovely songs she sang.

The next meeting of the Royal Neighbors Olson Camp will be February 13th at 8:00 p.m.

"TORK"  
TALKS

by: Tork Torkelson

KEEP ALERT FOR NOISES,  
VIBRATIONS, ODORS

Besides keeping an eye on the slippery road ahead, Tork reminds his readers to keep alert for Noises, Vibrations and Odors. Take none of these for granted.

If steering wheel feels sloppy or vibrates, get it checked quickly.

Should the brake pedal seem to go "soft," don't trust it. Get the brakes inspected quickly.

The odor of burning materials should always put you on immediate alert to stop and be ready for quick emergency action.

For a longer car life, pay quick attention to earliest warnings of malfunction. Ignoring them can result in specific damage or can also cause hidden chain reaction damaging other parts and suddenly a lot of damage crops up.

## Along the Way with *Annie Mae*

Gert Lorenz made a special trip to Florida - her youngest son, Robert was graduated from the University of Miami, Florida on January 25, 1973. His degree is in special education. Two happy youngsters making the trip with "Grandma" are Shawn and Susan Lorenz children of Pat and Ray. As long as they are there, a visit to Disneyland is planned also. Congratulations Robert and have fun everyone!

Congratulations are also in order for Joe Wolf Realty who recently opened for business on Lake Street. They are located just east of the theater. Good Luck!

February birthdays are starting off with a bang. David Waite begins on February 1, Jackie Vos of the Young Image celebrates her "30th" on Ground Hog Day, followed by Tina Frook on the third and on the 4th, Mrytle Hasse and Helen Murrie who receive special loving wishes. Dan Dugenski blows out his candles on Feb. 5, then on the 6th wishes go to Herb Horton, Sr. and Cheryl Crawford.

Congratulations to Jean and Frank Benes who celebrate their anniversary on February 3.

Hear that a local part-time, TV repairman read his own ad in

the paper and said the job sounded so good, he took it! Good Luck, Ray!

A surprise birthday party for Nancy Howard was held on Sunday at the Vern Plotz residence. Many happy returns.

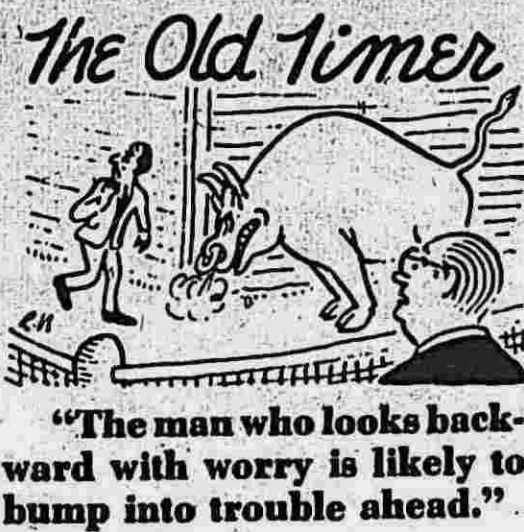

Antioch is sure having it's share of illness. A special get well wish to Shirley Gutowski who is in Victory Hospital. We'll all miss you. Even though you deserve a rest - it's a heck of a way to get one!

Hear Lillie Petty is well on the mend and should be home the end of the week.

Helen Murrie spent a long weekend in St. Louis visiting her sister-in-law Ord Peters - the weather held off for them to visit the Botanical Gardens there which is just fabulous!

Sue, Jennifer and Mike Haley spent the week-end in sunny, Webster City, Iowa to visit former Antioch residents, Howard and Judy Shepherd. While there, they enjoyed a little snowmobiling. It doesn't take the place of a Florida vacation, Sue, but hope you had a good time!

Our town will be honoring a real great guy at St. Peters Annual VIP Dance on March 31st.

Congratulations Mr. Al Dittman. We'll keep you informed on the dance preparations.

There were some pretty tired young people on Sunday, following a 24 hour dance marathon. The band group earned near \$200 for their AV Club and had fun doing it. The dance began at 10 p.m. on Friday and ended at 11 p.m. Saturday. Dave Rush had blisters on every finger from playing the drums almost the entire time. Band members participating were: Jay Rau, Don Mahar, Bill Petty, Kevin Gibbons, Randy Tobias, Rick Lukart, Buddy Ogden and Ed Karhart. Thanks to all the sponsors who paid a designated amount per hour and a special thanks to the many people who took time off to help chaperone the event. Mr. Curtis is the Audio Visual Director at the High School.

Well, enough for one week, we'll be back again with more news and views

Annie Mae

## NURSING STUDENTS VISIT CLINIC

A group of student nurses from the College of Lake County visited the Family Counseling Clinic in Grayslake Friday (January 26, 1973). The visit was part of an effort by CLC nursing students to tour mental health facilities in Lake County.

The five student nurses were given a tour of the Family Counseling Clinic facility on Rte 120, just west of Rte. 45, met with the staff of psychologists and social workers, and learned what the Clinic does.

## PROGRESS IN ANTIOCH'S LOWER SCHOOL

Through the help of many volunteer parents, the Antioch Lower Grade School's Centralized Library, will be open during the first week of February. Mr. Harland Ware, principal of the Lower Grade School, stated that the entire library has been made possible through the many tedious and long-working hours volunteered by the parents. They have contributed money for all the necessary materials needed by the library, including the book carts. Mr. Ware went on to say that the parents have done all the cataloging, processing and typing.

Mrs. Gloria Holbert, who has done much work with the volunteers, stated, "There is a long list of women who will be contacted after the core group of volunteers puts the library on it's feet. The core group of volunteers is made up of the following women: Diane Risch, Joy Frook, Sally Channon, Bernice Pape, Gloria Holbert,

Gail Fields, Bernie Corso, and Sandy Bailey."

Mrs. Holbert feels that the central library will aid the slow learner. Previously, each individual classroom has had its own library. It was quite embarrassing for fifth graders to take out books from the second and third grade level.

Mrs. Holbert said, "It will be less distressing for the slow reader to use the new library and may give him that spur of encouragement that he may need. The new library will also give the children a larger variety of subjects from which to choose.

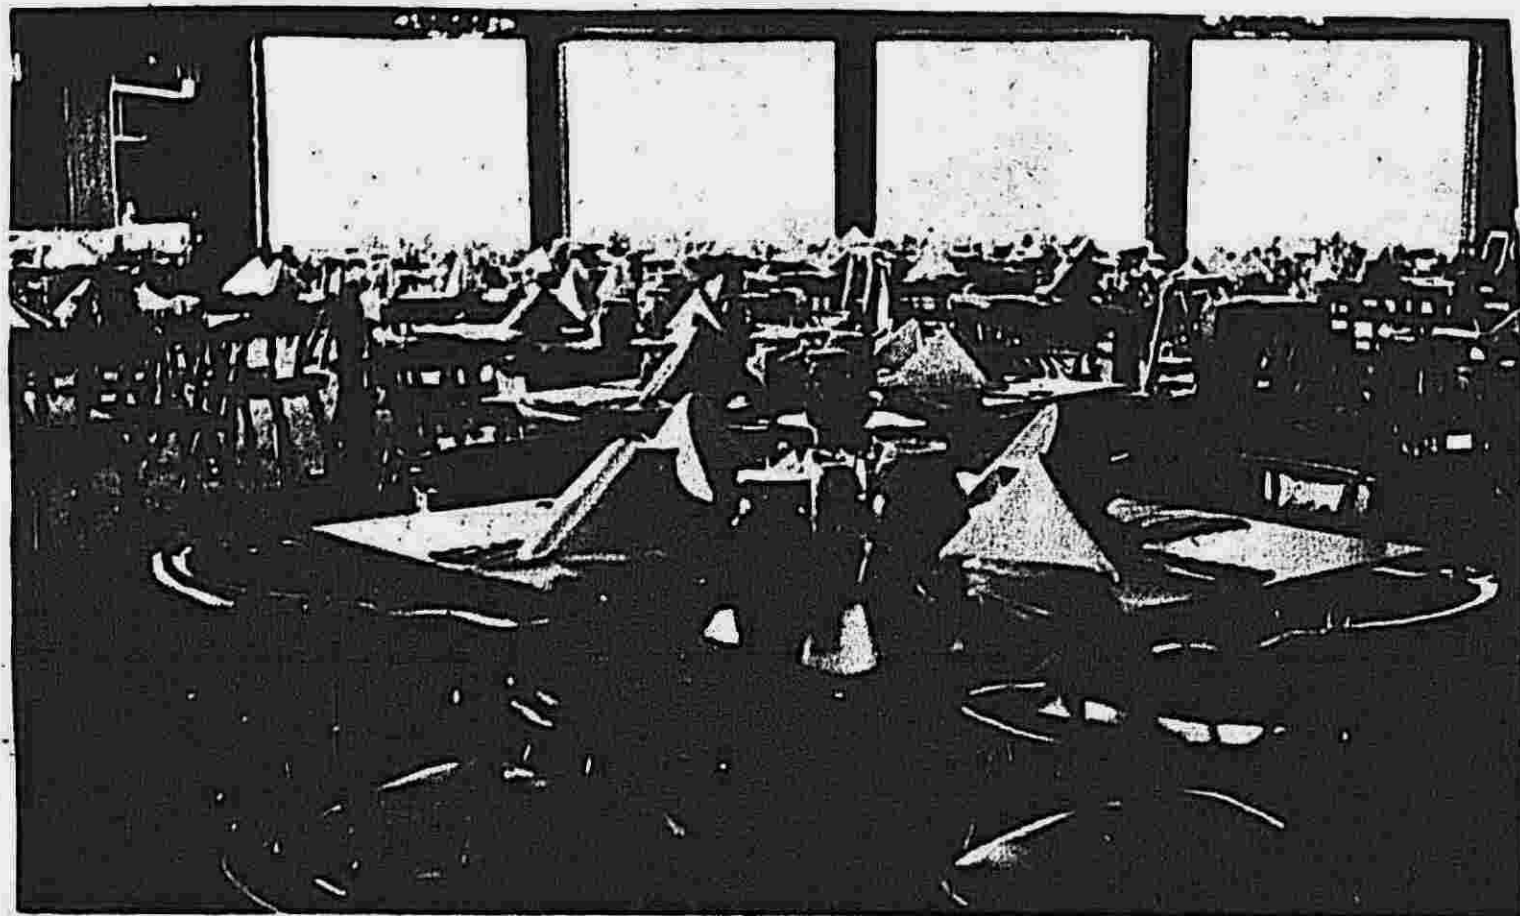

Mr. Ware stated that the library will be open for the children's use one day a week, to begin with. Other schools that have centralized libraries are the Upper Grade School and Channel Lake Grade School. Oakland Grade School is in the process of organizing their central library.

Dan Dugenski is instructing firemen in proper methods of cardiopulmonary resuscitation at the final session of the first aid re-fresher course.

The instruction and practice were done with the aid of resusci-annie and resusci-baby. Others in the picture are Dale Frasch, Bernie Gutowski and Bill Eckert.

**ROBIN HUNLEY  
ENTERS MISS  
ILLINOIS TEEN AGER  
PAGEANT**

Robinette Vanessa Hunley, daughter of Mr. and Mrs. Joseph V. Hunley, Rte 2, Box 166, will be participating in the Miss Illinois Teen Ager Pageant. The pageant will be held on July 6 & 7, at the Conrad Hilton in Chicago.

Attending Antioch High 15 year old Robin is a member of C.A.R.; PM & L; 4-H; Y.P.F.; Band, and also does chores on their pony farm. Her ambition is to go into music, either as a teacher or as a professional clarinet player and also raise ponies.

Each state winner will have her expenses paid to the National Finals in Atlanta, Georgia in late August of 1973. Applications are now being accepted and interested girls can obtain them by writing National Certification Office for Miss Illinois Teen Ager, 126 Bunn Drive, Rockton, Illinois 61072.

### SONANDRES CELEBRATES 25 YEARS AT GTE

Roger F. Sonandres, 53 Longmeadow Drive, Lindenhurst, is celebrating his 25th anniversary at GTE Automatic Electric, Northlake.

Sonandres, a supervisor in the manufacturing inspection department, joined the communications and electronic systems manufacturing company in the stock room. He later worked as a tester of units, solder checker and spot checker.

One of his hobbies is serving as bartender in the Men's Club of Lindenhurst's Civic Center.

Sonandres and his wife, Nancy, who also is employed at GTE Automatic Electric, are parents of Arlene, Rosemarie, Elaine, Joseph and Janice.

## WELCOME WAGON MEETING PLACE CHANGED

Remember, Newcomers will hold its monthly meeting. Wednesday, February 7th at 8:00 p.m. to be held at the State Bank of Antioch. All future meetings will be held at the State Bank of Antioch. Our program for the evening will be Styling of Wigs and Hairpieces. Also at this meeting we will have a raffle of canned goods. Tickets will be sold at the meeting. So bring along one or two cans of a popular food. You might end up with a bag of goodies to take home.

The Newcomers are planning to hold a social get-together one Saturday evening a month. Betty

Baker and her husband will be the hosts on Saturday, Feb. 3, 1973. Call 395-3650 for directions.

A stock investment group has been formed. They will be meeting the 2nd Wednesday of each month. If you are interested, further information is available. Call Betty Baker.

On Saturday, Feb. 17, the Newcomers are planning a dinner-play night out. The dinner will be at the Brave Bull at 6:00 p.m. followed by "Plaza Suite" at the PM & L Theatre on Main Street. Our own Pam Hill will be starring in the play. Following the play coffee will be served at the home of Barb

Joerns. If you are interested in going, please call Bonnie Mandernack at 395-2450.

A workshop of embroidery wall hanging will be held at Norma Sefton's on February 14th. Call for information 414-862-6596.

## AMES - MITCHELL NUPTIAL TOLD

Miss Margaret Ann Ames of 508 Westfield Drive, O'Fallon, Illinois became the bride of Harold Gilmore Mitchell on Jan. 27, 1973 at the United Church of Christ in O'Fallon, Illinois.

Rev. Walter D. Gerth officiated at the double ring ceremony in which the bride was given away by her Uncle, Mr. J.G. Leoffler.

Miss Marsha Ames, Miss Kelley Rogge, Mrs. Ray Neff and Miss Ann Schmidt served as attendants, while Mr. Carl Salerno, Mr. Al Kircher, and Mr. James Louis Caldwell IV, served as groomsmen.

A reception was held at Trader-Vic's.

The groom is a graduate of Monmouth College and the bride is a senior at Monmouth.

## NEIL SIMON COMEDY OPENS FEBRUARY 10TH

Make plans now to take your favorite date out on the town. As Valentine's Day approaches, so does the opening of the Neil Simon Comedy, "Plaza Suite". You have your choice of five evenings, Sat. Feb. 10th, Fri-Sat Feb. 16-17 or Fri-Sat Feb. 23-24. Curtain: 8:30 p.m. at PM & L on Main Street in Antioch, Illinois.

The comedy, directed by Tony Aird of Round Lake Beach, concerns one suite in the Plaza Hotel, New York, N.Y. Each act covers events in the lives of three very different occupants.

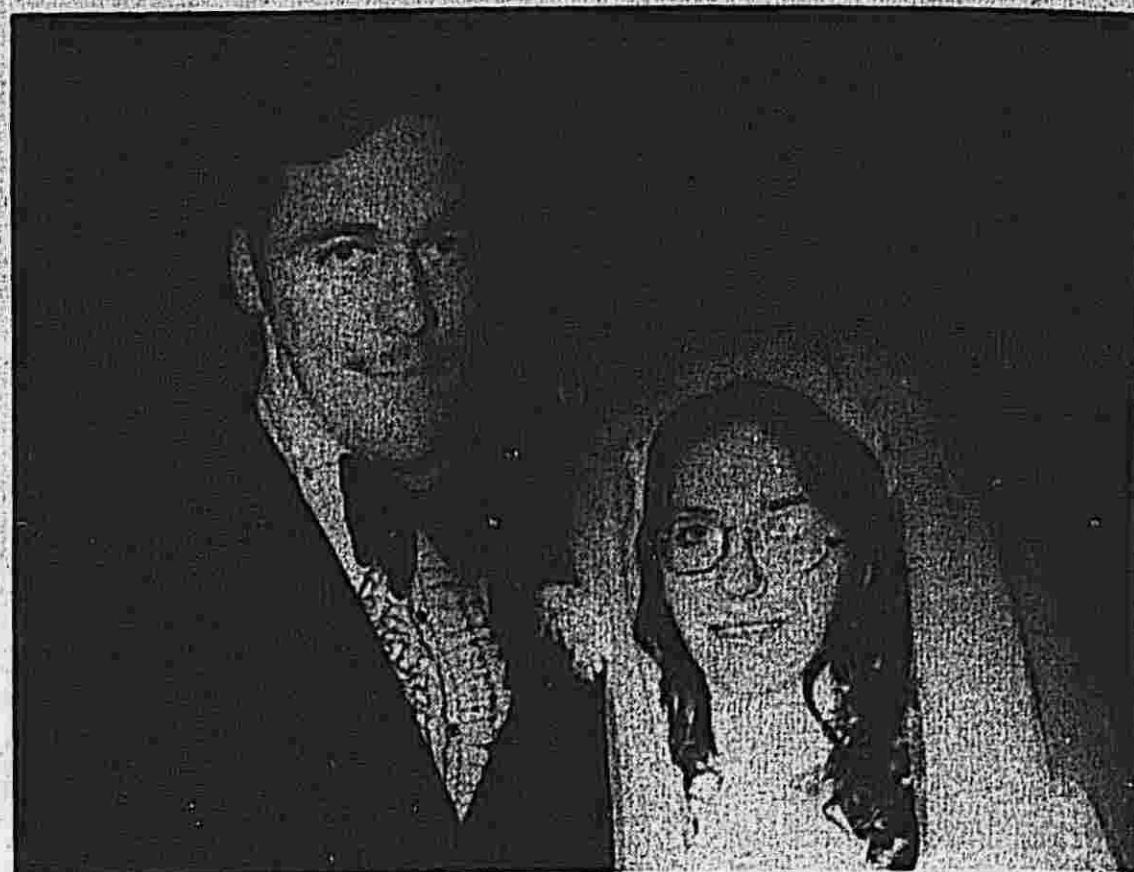

Act I, a couple married 23 or 24 years are at a very difficult and delicate point in their marriage. This act features Fred Holbert and Donna Mascari in the lead roles. It tugs your heart and you feel deeply for them. On the lighter side Act II reveals our 'Famous Hollywood Producer' East on a business trip and tries to make-time with his 'high school flame'. We see Don Bevroth and Pam Hill as the mad-cap couple. Act III will stir memories of any family having married off a daughter. Altho not a typical mother-father of the bride experience, a very possible one. Tom Hausmen and

Nancy J. Bell are the happy parents.

Supporting roles include Lyn Zaehler in Act I as the third side of a marital triangle and Dennis Macaluso and Ed Grimes as Bell-hop and waiter at the Plaza. Our Bride and Groom of Act III are Penny Anderson and Dave Oelerich.

The entire cast is busy on stage with rehearsals, and a group of very dedicated people work back-stage and thru-out the theatre. No should could succeed without the help of these people. Lights to be set, painting and planning, clean-up and general maintenance. Props to be collected and organized, ticket reservation and sales. Last but not least is "audience". Without an audience our efforts are incomplete. True fulfillment comes with a content and happy audience. Be sure you join us, dates again are Feb. 10, 16-17 and 23-24, call 395-9702 for ticket information or reservation.

## KOCH - JONES

Linda Lucille Koch became the bride of Michael E. Jones in a double ring ceremony at the Antioch Evangelical Free Church on January 13, 1973.

Linda is the daughter of Mr. and Mrs. Joseph T. Koch, Sr., of Antioch, and Michael is the son of Mr. and Mrs. Howard Jones of Accokeek, Missouri.

The bride chose a floor-length gown with white lace over satin double-puffed sleeves and a long train. Her headpiece was a pearl bonnet with a satin bow. She carried a bouquet of carnations and lilies of the valley with 2 red roses.

Patricia A. Teml served as Maid of Honor while Kenneth

Nessler served as best man. Vicki Zeman also served as bridesmaid while David Koch, brother of the bride, was a groomsman.

The attendants wore mint green dresses with blue trim of matching blue headpieces. Their bouquets were made up of white carnations with blue wild flowers.

The wedding couple was feted at a reception held at the Northshore Resort in Antioch, Illinois.

After a short honeymoon, the couple will be traveling as Michael is stationed at Great Lakes Naval Base.

## SISTER VIRGINIA STONE B.V.M. CELEBRATES SILVER ANNIVERSARY

St. Peter Parish hosted an open house for Sister Virginia on Sunday afternoon at St. Peter school. Over 300 friends and parishioners helped Sister Virginia celebrate her 25th year as a Sister of Charity, B.V.M. She has been the principal of St. Peter School since 1966.

Prior to that time she taught in schools in Iowa, South Dakota, and New York. Sister Virginia holds a Masters Degree in Religious Education. In addition to her duties as principal, she is active in all phases of parish religious education.

## American Legion Auxiliary

"Know Your America and Hold High The Torch of Freedom and Liberty" is the Americanism theme for 1973 reports Mrs. Richard Brown of North Chicago, district Americanism chairman for the 10th District American Legion Auxiliary. "It has been some time now since a Lake County political and social sciences teacher has been sponsored to attend the "FOR AMERICA SEMINAR", held at Valley Forge, Pa. This nationally sponsored Seminar, which will be held July 2 - 20, 1973, is to focus attention on the attacks on the fundamental principles of our American way of life. Units, have you interested teachers in your community in this seminar? If not, go to it! Inform your teachers of this fine opportunity to further their education (at no cost to themselves - it costs over \$400.00 to sponsor a teacher, and it is paid by the American Legion Auxiliary). Then, the teachers are asked to teach their students on their fundamental freedoms, and the attacks, both internal and external, which are being made upon these freedoms. Tell these teachers that three semester hours of graduate level credit will be awarded to each one attending this Seminar. This Seminar is open to all social studies teachers at all levels.

Applications and further information may be secured by contacting either Mrs. Brown or Mrs. Ray Rathmann (phone 395-3333), Americanism Chairman of the Antioch Unit. Deadline for all applications for the Freedom Foundations "FOR AMERICA SEMINAR" is March 15, 1973.

Mrs. Brown urges all Units to contribute to this fund, in order to be eligible to sponsor a teacher. Unit Americanism Chairmen are also reminded to have their Americanism essay first place winning entries in all three Classes by February 28th, deadline date.

The national Americanism chairman is asking that all Units study the history of American Indians, especially the Indian tribes that had once lived in your locality. She suggests that letters written to the Bureau of Indian Affairs, Washington D.C., will give much useful information. Units are encouraged to send donations to help support the American Indian child.

In conclusion, Mrs. Brown gives the national American Legions' definition of Americanism - An unflinching love of Country; loyalty to its institutions and ideals; eagerness to defend it against all enemies; individual allegiance to the American Flag; and a desire to secure the blessings of liberty to ourselves and to our posterity."

In rehearsal of "Mission Improbable" to be presented Feb. 10, 8:15 pm at St. Joseph High School Auditorium, 2401 69th Street, Kenosha; Walter Honkrite, played by Robert Smith, interviews two mission control technicians, Rise Neuens, and Gale Derringer, (l to r) as they try to discover the difficulties in rocket lift-off. Don't miss this year's Sweet Adeline barbershop show as they put the first woman on Venus!

## SWEET ADELINES HEAD FOR VENUS

Men on the moon? Of course. But a woman on Venus?? According to Kenosha's Sweet Adelines, not only is it likely, but will definitely occur! Though it may seem in improbable mission, blast-off time to put the first woman on Venus is 8:15 p.m., Saturday, February 10. St. Joseph's High School Auditorium is the launch site and those participating in this historic event are the Kenosha Chorus, the Rarities, 1970 International Queens of Harmony, Saturday's Heroes, a

new men's quartet composed of former members of championship quartets, and two Kenosha based quartets, The Association and The Cleff Hangers.

Kenosha Chapter's annual show, this year titled "Mission: Improbable", will feature Kay Paulsen and Robert Smith.

An enjoyable evening of song is guaranteed for all who attend. Tickets are \$2.50, and available at the door or from any chorus member, and also at Mayer Drugs downtown, Kenosha.

## WOMAN'S CLUB TO HEAR SPEAKER FROM DOWNEY HOSPITAL

The next regular meeting of the Antioch Woman's Club will be on February 5. The program will feature a guest speaker from Downey Hospital who will present various aspects in the responsibilities in caring for Vets who have returned home needing medical or psychiatric care. It should be a very enlightening afternoon.

## HOLY FAMILY ANNUAL PANCAKE BREAKFAST

The Church of the Holy Family in Lake Villa is having its 16th annual Pancake Breakfast Sunday, January 28th. The Delicious pancakes and sausages will be served from 8:00 a.m. til 2:00 p.m. Chairman Richard Wayne promises all you can eat at no increase in prices. Tickets are \$1.50 for adults, 50 cents for children 5 through 12, and children under five are free. Father Vincent Fish is pastor of the Church of the Holy Family, which is an Episcopal Church located at 1815 Lehmann Boulevard in Lake Villa.

## Social Notes

by: Del Jahneke

Mrs. Ray Rathmann, as 2nd Division President of the American Legion Auxiliary, accompanied by her husband; were guests of honor at a Silver Anniversary Dinner Dance, given by the St. Joseph Park American Legion Auxiliary No. 1080, at their Legion Home in Joliet, Saturday, January 27th. The other distinguished guest was the State Auxiliary President, Mrs. Victor Lello, and her husband, of Chicago. Both Mrs. Lello and Mrs. Rathmann gave brief speeches, thanking the St. Joseph Park Unit for the honors they received. The Rathmann's

stayed overnight at the Holiday Inn Motor Lodge.

Robert La Vernway, son of Mrs. Walter Buchert, Lake Catherine, has just returned home from a three week stay at Downey Hospital. ALL GOOD WISHES FOR A SPEEDY RECOVERY!

On January 24th, seven members and one guest from Antioch's Lakeside Rebekah Lodge No. 82, were guests at the installation of officers of the Waukegan Rebekah Lodge. Those present were Mrs. Ida Wysoglad, Mrs. Wayne Jones, Mrs. Clarence Larson, Mrs. Earl Horton, Mrs. Harold Ellis, Mrs. John Hagen and Mrs. Charles Ferris, Noble Grand. A pleasant evening was in store for all!

## SALON, EIGHT AND FORTY

by: Del Jahneke

The Lake County Salon No. 191, Illinois Eight and Forty, honor subsidiary of the American Legion Auxiliary, will hold their Valentine party meeting on Wednesday, February 7th, at 9:00 p.m. at the Sharvin American Legion Home in North Chicago. Mrs. Ray Suzzi, Highwood, Le Chapeau, will conduct the session.

Slated for discussion will be the visit of the Departmental Chapeau (State President), Mrs. John Acklin of Olton, Illinois. Lake County Salon always has their state president as guest of honor at a dinner held in a nice dining place, with some entertainment afterwards. Mrs. Acklin will also give a speech, telling of the accomplishments the state Eight and Forty has made. The tables all are beautifully decorated, carrying out the theme of the year, so there is a

good deal of planning for this event.

Hostesses for the February 7th party will be Mrs. Suzzi, Highwood; Mrs. Richard Brown, Mrs. John Jones, Mrs. Norman Holt, Mrs. John Schultz, Mrs. Fred Schultz and Mrs. William Schultz, all of North Chicago.

## LAKE COUNTY NAIM GROUP TO SEE SLIDES

The Lake County Naim Group, an organization for widows and widowers meet the 2nd Sunday of each month, at Our Lady of Humility Church hall, 1801 Wadsworth Road, Zion at 2:00 p.m.

On February 11, 1973 following a short meeting, Mr. B. Leckbee from Lake Bluff, will show slides and lecture about his trip to Iceland and Greenland.

## Perfect Ending Cake

If you're looking for a delicious, yet easy to make budget minded dessert for tonight's dinner, here's an excellent recipe for a chocolate coffee cake, the perfect ending to any meal.

### Chocolate Coffee Cake

1/4 cup butter, softened	1/2 cup boiling water
1 cup firmly-packed brown sugar	1 1/2 cups flour
1 egg	1/4 teaspoon baking soda
1 teaspoon Nescafé	1/4 teaspoon salt
1 6-oz. pkg. (1 cup) Nestlé's Semi-Sweet Chocolate Morsels	

Preheat oven to 350°F. In large mixing bowl, combine butter and brown sugar. Blend in egg. Add Nescafé to boiling water and stir. Add to creamed mixture and blend. Gradually add flour, baking soda, and salt; mix thoroughly. Stir in semi-sweet chocolate morsels and spread in greased and floured 8" square pan. Bake at: 350°F. Time: 30 minutes. Cool and frost with Coffee Icing.

### Coffee Icing

2 1/2 cups sifted confectioners' sugar	4 teaspoons milk
1/2 cup butter, softened	1 teaspoon Nescafé

In bowl combine all ingredients and beat until creamy. Makes 1 8" square cake.

## A Warm Welcome On A Cold Day

Polka Dot Coffee Cake extends the warmest and sweetest of greetings to a new neighbor — or old friends! The flavorful, fragrant corn meal yeast bread boasts pockets of luscious strawberry or raspberry jam — making it delightfully different, unusually good.

### POLKA DOT COFFEE CAKE

Makes two 8-inch coffee cakes

2 cakes compressed or 2 pkg., dry yeast	3/4 cup enriched corn meal
1/2 cup lukewarm water	1 cup strawberry or raspberry jam or preserves
3/4 cup milk, scalded	
1/2 cup sugar	
1 1/2 teaspoons salt	
1/3 cup butter or margarine	
1 egg	
4 to 4 1/2 cups sifted all-purpose flour	

Soften yeast in lukewarm water. (Use warm water for dry yeast.) Pour scalded milk over sugar, salt and butter. Cool to lukewarm. Stir in egg and 1 cup flour. Add softened yeast and corn meal. Stir in enough additional flour to make a soft dough.

Turn dough out onto lightly floured board or canvas; knead until smooth and satiny, about 10 minutes. Round dough into ball; place in greased bowl; brush lightly with melted shortening. Cover and let rise in warm place until double in size, about 1 hour.

Punch dough down; cover. Divide in half. Round each part into ball. Place in two greased 8-inch baking pans. Brush with melted butter.

Cover and let rise in warm place until nearly double in size, about 45 minutes. With finger, make deep hole in center of dough; insert some of the jam. Continue making holes over surface in same manner, filling each hole with jam. Bake in preheated moderate oven (350°F.) 30 to 35 minutes or until golden brown. Cool; frost with glaze made by combining confectioners sugar and milk.

## CLC CAPTURES TWO ANTIOCH'S CHEERLEADERS

Barb Sander, daughter of Mr. and Mrs. Josef Sander, Rte 2, Antioch, and Cindy Gleich, daughter of Mr. and Mrs. Frank Gleich, 219 Douglas Lane, Lake Villa, are members of the College of Lake County 1972-73 cheerleading squad. Barb, who serves as captain, and Cindy are graduates of Antioch High School. Both girls are freshmen at CLC with majors in education.

### RAINBOW GIRLS HOLD MEETING

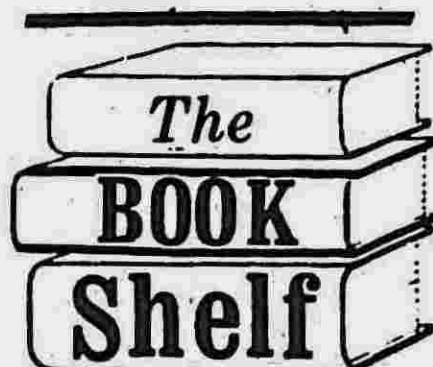

On January 22, Antioch number 23 held a regular meeting. This was Richell's first meeting. We had an invitation practice. All the girls did a good job. After the meeting, refreshments were served.

### LEARN HOW TO PRESERVE TEXTILES AND COSTUMES FOR POSTERITY

A seminar to introduce volunteer staff persons working for the Lake County Museum or any of the local Historical societies in the area to the technical aspects of professional care of textiles and costumes in museum and society collections. The work will be geared to the relatively untrained but interested volunteer who wishes to help preserve such materials held in trust for use by future generations.

The seminar portion will begin with a meeting at 2 pm on Saturday, February 3rd at the Lake County Museum shop complex in the Nike Site on Quentin Road just north of Lake-Cook County Line road, 4 miles east of Barrington.

Those wishing to participate should contact the Museum office 438-5765 or P. O. Box 412, Lake Zurich, 60047 well ahead of the 3rd. Also ask for information on other books, lecture notes, etc. that are available.

PLEASURES OF CRUEL: Jo Springer. A book of elementary to elegant stitches and new embroidery designs.

HOW MANY MILES TO CAMELOT? by Jerry Izenberg. The all-American sport myth. PATCHWORK FOR BEGINNERS: by Sylvia Green. Covers the fundamentals of making patchwork items and includes suggestions on color and design to encourage the novice's creativity.

WE THE RUSSIANS: VOICES FROM RUSSIA: edited by Colette Shulman. Selections from current Soviet magazines are assembled to reflect changes in Russian society.

Library hours are from Noon to 9:00 P.M. Come in and enjoy our display case always full of interesting items.

## New Deductions

A first child was born to Stephen and Cynthia Hays (nee Pedersen), of Omaha, Nebraska. Diane Lynn arrived on January 23, 1973 and tipped the scales at 6lbs. 12oz.

Proud grandparents are Mr. and Mrs. Robert H. Pedersen, of Antioch, and Mr. and Mrs. Alvin Hays of Emerson, Iowa.

Mrs. Effie Nelson became a great-great grandmother again on January 10, 1973. Her great granddaughter Sandra Jo Mather of Burlington Wisconsin gave birth to a son, Brandon Lowell. This young man weighed in at 8lbs. 13oz. and was 22 inches long. The Mathers also have a 2 year old daughter, Heather Anne.

Proud grandparents are Mr. and Mrs. Lowell Smock (nee Gertrude Horton) of Trevor Wisconsin. Mr. and Mrs. Joseph Horton of Antioch are the proud great grandparents.

A wee little miss made her debut at the home of Mr. and Mrs. James Lonson of Lake Villa on January 24th. Jeannine Lee weighed 4lbs. 13 1/4 oz. and was 18" long. The Lonson's have another child, Thomas who is 17 months old.

Maternal grandparents are Mr. and Mrs. Herbert Fischer of Lake Villa and paternal grandparents are Mr. and Mrs. Arthur Nowakowski of Antioch.

### GREAT LAKES IDENTIFIED FLYING OBJECTS ASSN MEETING

The Great Lakes Identified Flying Objects Assn. of Waukegan, Illinois presents their first meeting and lecture of 1973, Thursday, January 25, 1973 at 8:15 at Mathon's Restaurant, Lakefront, Waukegan, Illinois.

Featured will be Libby Chartok, Lecturer and Teacher of E.S.P. from Chicago and Highland Park, Ill.

The club is bringing her back by popular demand. She will show her famous slides and automatic drawings depicting E.S.P. and U.F.O.'s throughout history!

The meeting is open to all of the interested public.

### LANDSCAPING THE HOMEGROUNDS COURSE OFFERED

The popular Cooperative Extension Service Course, Landscaping The Home Grounds, will be repeated again this year, according to Ray T. Nicholas, Lake County Senior Extension Adviser.

The course consists of five two-hour sessions to be held from 1:00 pm to 3:00 pm, starting Thursday, March 2. Other sessions will be held March 8, 16, 23 and April 6.

The landscaping course will cover such topics as determining the family's landscaping requirements, analyzing the site, developing the plan on paper, choosing structures and construction materials, fitting plants to the environment, fitting trees, shrubs, and flowers to the plan, designing

Never before has there been more emphasis on one's ability to speak, listen, and think effectively...whether at home, on the job, or in the community. Speechcraft will help you develop your abilities in each of these areas.

Speechcraft is unique. It is a program of communication and leadership techniques without a classroom format. Your only grade is the experience and knowledge you gain. Experienced Toastmasters present the fundamentals of oral communication and leadership techniques in a relaxed Toastmasters club environment.

Toastmaster Clubs in the

immediate area are: No. 820-Outboard Marine; No. 1605-Waukegan-North Chicago; No. 1837-Libertyville; No. 2346-Mainside (Great Lakes); No. 2679-Abbott Laboratory; No. 2724 Crystal Lake; No. 3105-Navy Electronics Supply Office.

A speechcraft program will be open to the General Public for eight Wednesdays beginning February 14, 7:00 p.m. at the U.S. Naval Hospital Great Lakes Illinois. Three Toastmaster Clubs Waukegan, North Chicago Mainside and the Electronic Supply Office will be joint hosts. Those who desire to attend are requested to call Ken Clark Ba 3-4630.

### ANTIOCH CHIEFS AND SQUAWS BUSY WITH WINTER PROJECTS

The Antioch Chiefs and Squaws 4-H club members are involved in many projects this year. A few of these projects that club members have started are crocheting, woodworking, baking, gun safety, and fishing. Although some of these projects such as fishing, will not be useful till weather permits, many members are looking forward to it.

The 4-H'ers in the club have just finished learning Leather craft techniques. The project includes belts, wallets, key and chain purses, and most anything that includes leather. Mrs. Dorothy Auxier, Antioch Chiefs and Squaws leader, has been busy attending classes on Leather-craft so she can pass these talents onto club members.

### ABBOTT SUPPORTS DRUG EDUCATION CENTER

Abbott Laboratories of North Chicago, Illinois, has announced a \$50,000 grant to the Health Education Institute, Inc., for development and construction of a unique drug education facility here. The program will serve school children and others in the Chicago metropolitan area.

The facility will be part of the Robert Crown Center for Health Education, to be built this year to house the Hinsdale Health Museum and related programs, owned and operated by the Institute. The new center plans to serve as many as 150,000 persons a year.

The drug education classroom, with electronically-controlled exhibits, will be one of four programs. Others include health education, family living - sex education and environmental quality.

the public, private, and service areas, and buying and caring for plant materials.

Similar courses have been conducted by Extension Adviser, Nicholas, during the past nine years with more than 400 enrollments. Many who enrolled in the course have partially or completely landscaped their home grounds.

Application blanks for the course may be obtained by calling or writing the Lake County Cooperative Extension Service, Lake County Fairgrounds, P.O. Box 267, Grayslake, Illinois 60030. Phone 223-5844.

All enrollments for the course are due in the Extension office by February 23, 1973.

### PRATT HEADS HEART FUND CAMPAIGN

William D. Pratt, Corporate Vice-President, Abbott Laboratories, will head the 1973 Heart Fund Campaign in Lake County, it was announced by Dr. John J. Zannini, President of the Lake County Heart Association. The campaign will be conducted here and throughout the nation during February, declared American Heart Month by an Act of Congress.

Pratt, a Vice-President of the Lake County Heart Association, cited the urgent need in the forthcoming campaign. "More than 675,000 Americans will die this year of heart attack, the number one killer in the nation," he said. "The drive will seek to raise funds to reduce death and disability from heart attack and other heart and blood vessel diseases. Give generously to support Heart programs when your Heart

Fund volunteer calls."

According to Pratt, Heart Fund volunteers will visit all residential areas during February to distribute heart-saving information and collect funds to support research, educational and community service programs of the Lake County Heart Association.

### EMPLOYERS TAX GUIDE AVAILABLE

The Internal Revenue Service wants to remind employers that beginning in 1972, almost every employer will be subject to the Federal Unemployment Tax and must file a Form 940. The tax will apply to every employer who during either 1971 or 1972 paid wages of \$1,500 or more in any calendar quarter, or had one or more employees at any time in each of 20 calendar weeks. This changes the past requirement of 4 or more employees and no set wage minimum.

The term employee does not apply to domestic service in private homes, agricultural labor, or to children under 21 employed by their parents.

If there are any questions, consult Internal Revenue Service Publication 15, the "Employer's Tax Guide," or call your local Internal Revenue Service Office.

## CYNTHIA SCHLEUSENER STUDYING IN GREAT BRITAIN

Cynthia Schleusener, daughter of Mr. and Mrs. Roland E. Schleusener of 1015 E. Victoria Street is studying health care in Great Britain as part of a Nursing Travel Seminar sponsored by the Illinois Wesleyan University Borkaw Collegiate School of Nursing.

Under the direction of Jane Gordon, associate professor of maternal and child nursing, and Jean Krueger, assistant

professor of nursing, the students are learning the health care system in Great Britain from British students and graduate nurses.

Free time is available for the student's to take advantage of the many cultural opportunities available in London.

Miss Schleusener is a senior nursing major at IWU and is a 1969 graduate of Antioch High School.

## LAURIE GOOD IN COLLEGE CHORAL CONCERT

Laurie Good is a member of the North Central College Choir which performed in a choral concert at North Central on Sunday, January 28. The concert was held at 4:00 p.m. in Pfeiffer Hall, 310 East Benton Avenue, on the college campus. Also performing were the Collegians and Madrigal Singers.

Miss Good is the daughter of Mr. and Mrs. Stuart Good, 715

Piper Lane, Lake Villa. She is a 1972 graduate of Grant High school in Fox Lake. Miss Good is a freshman at North Central, majoring in elementary education.

## NAMED TO AUGUSTANA DEANS LIST

Bruce W. Carlson and Elaine M. Wells, sophomores, and Jill L. Fischer and Davis L. Longly, juniors, all of Antioch, have been named to the Dean's Honor List at Augustana College, Rock Island, for the fall quarter.

Carlson is a son of Mr. and Mrs. Walter H. Carlson, 343 Cedarwood Ln.; Miss Wells is a daughter of Mr. and Mrs. Richard Wells, Rte 2; Miss Fischer is a daughter of Mr. and Mrs. Lennard A. Fischer, 1041 Bishop St., and Longly is a son of Mr. and Mrs. Lester J. Longly, 353 Harden St.

## GATEWAY TECH INSTITUTE HONOR ROLL

The honor roll for first semester at Gateway Technical Institute was recently posted.

More than 100 students carried 4.0 averages on a 4. scale. Susan Hofkamp, of Antioch was among those carrying a 4.0 average.

Deborah Muhlenbeck of Bristol and Steve Trottier of Lake Villa were among those students carrying a 3.50 to 3.99 grade average.

## AREA STUDENTS ON DEAN'S LIST AT CARBONDALE

Approximately 16 percent of Southern Illinois University-Carbondale's undergraduate students have been cited for academic achievement during

the 1972 fall quarter.

The quarterly Deans' List includes 3,833 students who posted superior marks during the quarter, according to the SIU Office of Admissions and Records.

To achieve Deans' List recognition, students must attain a 4.25 grade point average on SIU's 5.0 scale, while taking at least 12 hours of study.

Those from this area include Teresa M. Meyer, Rte 4, Antioch with a straight A average for the quarter, Linda Dettke of Lakeshore Drive, Lindenhurst and Emilie Babcox, Wayne Bentel, Thomas Tully, and Karen Walker from Lake Villa.

## LYN HARTNELL

Airman Lyn R. Hartnell, son of Mr. and Mrs. Richard F. Hartnell of Rt. 1, Salem, Wis., has graduated at Lowry AFB, Colo., from the Air Force supply inventory specialist course conducted by the Air Training Command.

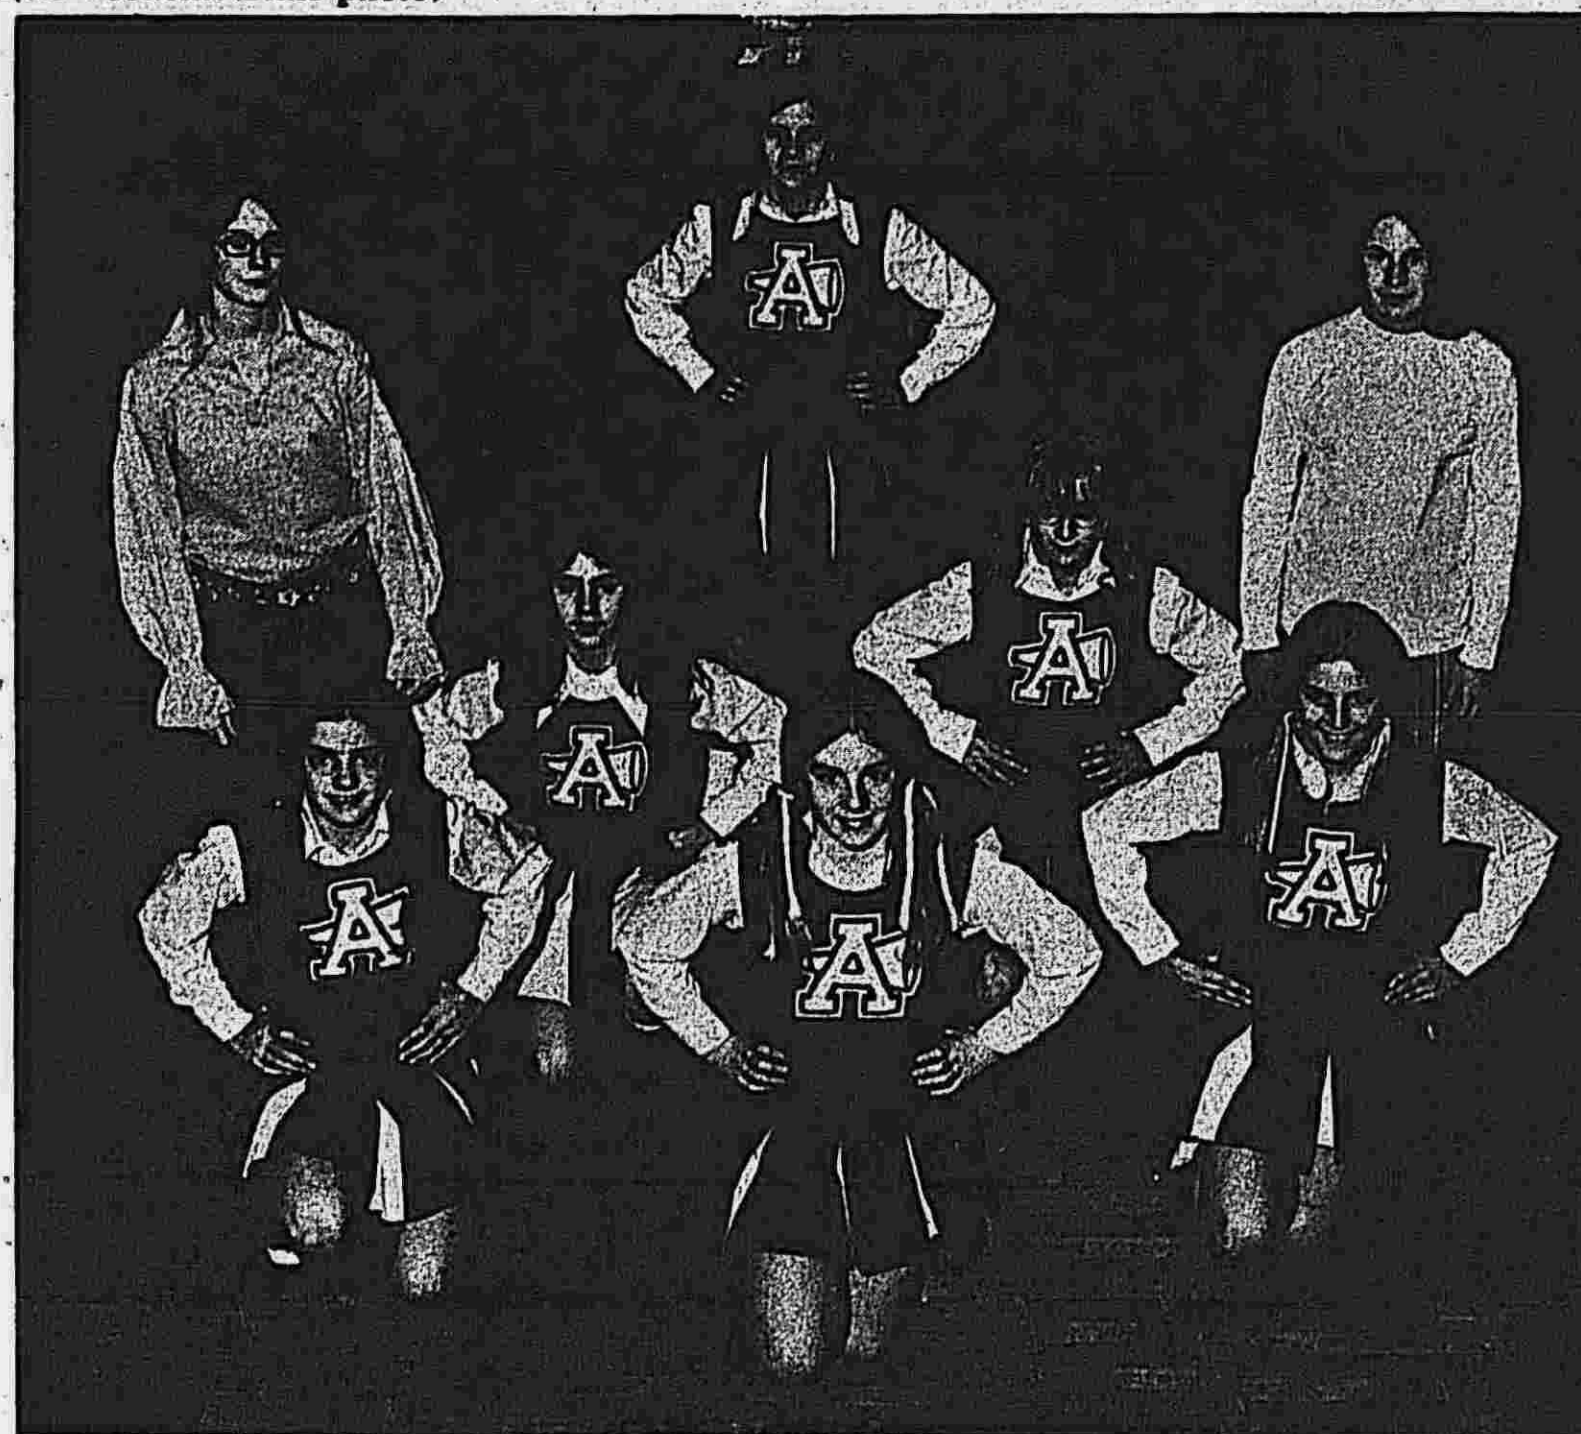

The airman, trained to inventory supplies by use of electronic data processing machines, is being assigned to Duluth International Airport, Minn., for duty with a unit of the Aerospace Defense Command which protects the U.S. against hostile aircraft and missiles.

Airman Hartnell is a 1968 graduate of Central High School.

## UPPER GRADE CENTER PICKS CHEERLEADERS

Eighth grade cheerleaders are l to r row 1: Lori Haviland, Lori Underwood and Linda Fields. Row 2: Debbie Behrens, Vickie Nohlecek, Sue Amundsen, Tammy Ester, Cheryl Porter and Marsha Fox - coach. (staff photo)

Seventh grade cheerleaders are l to r row 1: Maria Grippando, Kathy Murphy and Pam Parker. Row 2: Riccarda Janka, and Janice Bowman. Row 3: (standing) Rosline Scheske - coach, Renee Simonson and Karen Pahlke - coach. (staff photo)

Seventh grade cheerleaders are l to r row 1: Michelle Bratta and Irene Nevitt. Row 2: Dawn Underwood. Row 3: Sandie Kut (standing), Kathy Muse, Sharon Endean and Nancy Sedar (standing). Row 4: Coaches Candi Bailey and Cindy Sedar. (staff photo)

**MRS. MARY C. BOSSE** 90 years old of Hollywood Florida passed away Sunday, January 28th at the American Convalescent Home at Plantation, Florida. She was born April 24, 1882 in Greiswaldt, Germany and came to the United States in 1892 to reside in Chicago, then moved to Petite Lake near Antioch in 1946, and has resided in Hollywood, Fla. since 1969. She married Wm. Bosse on June 30, 1920 in Crown Point, Indiana and he passed away on July 2, 1946. She was preceded in death by her brother W. T. Soldmann on March 2, 1969 with whom she made her home for several years.

Survivors are 1 sister and several neices and nephews.

Funeral services will be held at 1:00 p.m. on Thursday at the Strang Funeral Home in Antioch. Rev. Phillip O. Laurin of St. Stephen Lutheran Church will officiate. Interment will be in Memorial Park Cemetery in Skokie Illinois.

**MRS. DORA MAY LUCAS** 88 years old of Crooked Lake, near Lake Villa, Illinois passed away on Monday January 29th in her home. Born May 9, 1884 in Conklin Tennessee she moved to Wadsworth, Illinois in 1901 and has lived in the Wadsworth and Lake Villa area since. She and her late husband Frank Lucas had farmed in this area. She married Frank Lucas on October 23, 1904 in Waukegan and he passed away on December 3, 1938. She was also preceded in death by 1 son Albert W. Lucas in 1958.

Survivors are 1 son Mr. John W. Lucas with whom she lived, 4 daughters, Mrs. Lydia Pedersen (Antioch) Mrs. Anna Mae Alshouse (Gurnee, Ill), Mrs. Margaret Pullen (Antioch) and Mrs. Pearl Alshouse (Antioch) 3 half-brothers, 26 grandchildren, 70 great grandchildren and 11 great grandchildren.

Funeral services were held on Wednesday at 2:00 p.m. at the Strang Funeral Home in Antioch. Rev. L. Messersmith of the Millburn Congregational Church will officiate. Interment was in Millburn Cemetery.

## NORTHERN ILLINOIS DEMOCRATS TO UNITE

It was announced today by Herbert L. "Hub" Stern, Chairman of the Lake County Democratic Central Committee, that the Lake County Democratic party organization will participate in and become members of a new Democratic Organization representing the Democratic voters of northern Ill. outside of Cook County.

The organization is an outgrowth of a group called Northern Illinois Democratic Organizing Committee (NIDOC) composed of the Democratic County Chairmen, Democratic Legislators and county-wide elected Democratic officials of those counties (other than Cook) lying north of Highway 80.

"It is anticipated that the new organization will provide a vehicle through which the Democrats of northern Illinois will, for the first time, have a voice in Democratic slate-making and policy matters," said Stern.

Francis X. Mahoney, Freeport, and State Central Committeeman for the 16th Congressional District; Charles Eagelson, County Chairman of Stark County; James Samorian, Co. Chairman of Winnebago Co.; Martin Dubin, Co. Chairman of DeKalb County; and Francis C. O'Rourke, State Central Committeeman from Marengo have been designated to prepare and recommend for presentation an organizational structure.

The committee was selected at a meeting held in the Dome room of the St. Nicholas Hotel in Springfield following the inaugural ceremonies. Approximately 75 people were in attendance - County Chairman, State Legislators and county-wide elected officials.

## TOWNSHIP PETITIONS IN

Monday, January 20th was the last day petitions could be filed for the six open Antioch Township positions. 150 signatures were needed for the petitions and when the day ended two parties had filed their petitions.

The Citizens Party ticket reads as follows: Llewellyn Van Patten for Town Clerk,

Clarence B. Olson, for Tax Assessor and for Auditors, Irving W. Carey, Harold W. Wilson, Homer LaPlant and Rudy Eckert.

An Independent Party filed citing their candidates as R.G. Holtz, for Assessor, and Frank Benes, Peter Cleven, Herbert Horton and George Olisar as Auditors.

Township elections will take place on April 3, 1973.

## Christian Science Churches

In Matthew 12th we read how Jesus healed the man with the withered hand. This will be brought out at Churches of Christ, Scientist, Sunday in the Bible Lesson-Sermon entitled "Love".

Commentary from Science and Health with Key to the Scriptures by Mary Baker Eddy concludes with this statement: "Let unselfishness, goodness, mercy, justice, health, holiness, love - the kingdom of Heaven - reign within us, and sin, disease, and death will diminish until they finally disappear".

Everyone is invited to attend services at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois. They begin at 11 A.M.

## WHY ARE THE HEALINGS OF JESUS POSSIBLE TODAY?

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.

## PEN AND INK DRAWING....

"The pen is mightier than the brush" should be another such saying for the flexible pen point responds to the slightest movement of the fingers more than does the brush. There are as many different styles of ink drawings as there are artists who draw, for like handwriting, each gives to the pen line his own personality. If you are a beginner in drawing remember this as you draw: Be free and natural in your drawing so that the lines will be expressively yours.

Now to the point. Below are numerous pen points to choose from depending on the kind of line you want: even or varying, fine to bold.

Ruling Pen

Speedball Lettering Pens

Fine Drawing

Crow Quill Pen

Ball Point Pen

The ink: The most popular is the dense, black ink called India Ink. Waterproof ink is best if you are considering laying in water color washes over the ink drawing. You can also think about drawing with colored inks, which can be bought in basic colors of yellow, orange, red, green, blue violet, brown. Watch out for the pull stoppers in some ink bottles, for a quick, hard pull causes the ink to splatter. Therefore, twist as you pull the stopper out slowly. Some of these stoppers have quills or droppers in the center of them. These are for filling ruling pens and lettering nibs, as these should not be dipped into the ink.

And now to draw. You can plan your drawing first in pencil, then go over with ink, but be sure the pencil lines are light as possible, so as not to show up under the ink drawing. Go over the lines with determined strokes, to give

the pen points, you should also wash off the pen points of India ink with soap and water, as an accumulation of ink on the pen makes it hard for the ink to flow properly.

Ink drawings may also be shaded and colored with other media, such as grease crayon and water color washes. In these mixed media the ink drawing is usually bolder in line and this shading is applied after the ink drawing is completed. Closely akin to pen and ink drawing, is the use of brush and ink. Study Sumi painting, which is the exquisite Oriental method of painting and drawing with brush and ink. If a brush is used, consider that the texture of the paper becomes an important factor to the appearance of the work, for the smoothness or grain of the paper makes the brush behave differently.

Happy Drawing.

Next Week: DRAWING WITH PASTELS

## ANTIOCH TWP. REPUBLICAN WOMEN'S AUXILIARY MEETS

The Antioch Township Republican Club Women's Auxiliary held its first meeting of 1973 at the Antioch Country Club to formulate plans for the year's activities. The turnout was excellent indicating a continuing interest in things political. There will be a membership drive to get more people interested in politics and the coming elections.

A Spring luncheon will be held April 4th at the Rustic Manor featuring Jean Bonnell, The Genie, who has appeared in 100 clubs in the past year

giving ESP demonstrations with audience participation.

The incumbent slate of officers were re-elected to govern the Womens Auxiliary for the coming year. They will be installed into office at the club's Spring Dinner Party March 28th at the Antioch Country Club. The slate includes:

Suzanne Horton, President, Louise Murrie, 1st Vice President, Lillian Olson 2nd Vice President, Hilda Stern Secretary, Lillian Golonka Treasurer, Rose Shaffer Sgt.-at-Arms.

**ST. THERESE****A TRAUMA CENTER**

St. Therese Hospital, 2615 W. Washington, Waukegan has been designated by the State of Illinois to serve as a Trauma Center for Lake County and surrounding areas.

Illinois, one of five states chosen to develop emergency care systems, has been allocated \$4 million in order to set up the 40 Trauma Centers which now operate throughout the state.

The Primary purpose of trauma centers is to shorten the time necessary to get a critically injured person to the specialized care he needs, and to keep him alive while doing it. Procedures already in use include helicopters for speedy transfer of patients to hospitals, and overland critical care vans (OCCV), equipped with life-support facilities.

**ST. PETER BOARD OF EDUCATION****ELECTION PROCEDURE**

On April 30th two board members of the school board (Richard Daniel and Thomas Haley III) will have completed their terms. St. Peter Parish consequently will vote for their replacements. To provide for a smooth transition in selecting their replacements, the school board has developed and adopted the following procedures for nominating, qualifying, and electing members of the parish school board. Terms are for a period of three years.

The election committee will be appointed annually by the school board chairman: to include ex-officio members of the board and board members.

ELECTIONS: Will be held on the third Sunday of April on an annual basis (April 15, 1973).

Voting will take place after each Mass (including the 5:30 p.m. Mass on April 14th). All adult parishioners or parents of St. Peter School children are eligible to vote. Parish rolls will be used to determine voter eligibility. Election committee will be responsible to appoint election judges.

A simple majority will be sufficient to elect a member. In the event of a tie, a runoff election will be held on the following Sunday. Results of any runoff election will be announced on the Sunday after the runoff.

Election results will be published and announced on the fourth Sunday of April. Elected members will be seated at the first regularly scheduled meeting after the election, i.e. in May.

Ballots will be made available in the lower level of the Church after each Mass.

Prospective member must

qualify according to school board requirements: reside in the community for at least six months; be a parish member or parent of St. Peter School child; must be a minimum of 18 years old. No person employed by the school or volunteer aid involved in classroom activities may serve on the board.

Candidates for board membership must submit their APPLICATION-PETITION signed by at least 10 parishioners or parents of St. Peter School children to the board recording secretary, Mrs. Vistain, no later than Tuesday, March 6th. Application-Petition forms will be available at the school office beginning Feb. 1st. Names will appear on the ballot in the order petitions are filed in the school office.

The election committee will be responsible for certification of all applicants. Election committee will accept all Application-Petitions. Election committee will determine eligibility and acceptance of candidates to the school board.

Announcement of qualifying candidates will be made at the school board meeting on March 8th.

In the event a candidate does not qualify, he will be advised of the decision as well as the reason for his failure to obtain certification prior to March 8th.

Any candidate will have the opportunity to question the election committee should he fail to obtain certification and present his case in favor of certification prior to March 8th.

Election Committee will be dissolved after completion of election.

**NED LOCKE AT  
MID WINTER CIRCUS**

One of the most familiar personalities to Chicago television viewers is a jovial, round-faced man in a scarlet coat, striped trousers, and a top hat.

He is Ned Locke, WGN-TV television star who will be featured in the Mid-Winter Circus to be held at 1:00 p.m. and 3:00 p.m. on Sunday, February 11, in the East Campus of Waukegan Township High School.

Three more acts headed by WGN's Roy Brown-better known as Cooky the Clown, have been booked for a Mid Winter-Circus with Ringmaster Ned Locke.

The Circus, sponsored by the Louie Pickus Waukegan Lodge 933 of the B'nai B'rith, will be held at 1 p.m. and 3 p.m. Sunday, February 11, in the East Campus gym of Waukegan Township High School. Donations are \$1.25.

Two additional acts to go with the five already announced are the Walters and Mr. Bell who performs an amazing balancing act while perched

high in the air.

The Walters are a great family of trampoline artists featuring Walter Patterson and his wife, both former college champions, who now have comedy routines that go along with their style and precision.

Brown appears on three WGN programs; in the morning he is Cuddley Dudley, the lovable dog on the Ray Rayner and Friends show; at noon he becomes Cooky the Clown on Bozo's Circus and at 3:30 p.m. he is the puppeteer for the Garfield Goose show.

Advance tickets for the Mid Winter Circus may be obtained at the Globe, Fox Lake, in Zion at Bickets Pharmacy, Blumbergs and Mr. Sams; in Libertyville at the Town Meat Market; in North Chicago at Bel-Mar and 10th Street Hardware; in Gurnee at Gungler's.

Tickets in Waukegan may be obtained from the Printers Ink in the Belvidere Mall; the Globe in the Plaza, at Tems Luggage in Lakehurst and downtown and at The Record rack downtown.

## BITS AND PIECES

By: Taffy Engelhardt

ACHS students enjoyed a four day weekend, as the teachers had a two-day workshop. This was an excellent opportunity for seniors to visit colleges and many took advantage of this. Many of the students also spent 25 hours at the Marathon Dance sponsored by the AV Club. More about that later.

By the way, beginning next week, I shall be beginning to publicize the plans many seniors are making after graduation. I have had a few requests for this from curious community members.

## BEHAVIORAL SCIENCE

There is a new Behavioral Science class this semester. It will be a 9-week course taught by Mr. Brown. It was originally supposed to be a semester course but the teaching materials couldn't be obtained in time for this. Next year, though, it will be a semester course.

## BASKETBALL

The Antioch Basketball Sequoits again add a victory to their record. The Grant Bulldogs were defeated by a score of 57-50. The fans from both sides were especially shattering as is usual for an Antioch vs. Grant game. We're still anticipating a victory against Round Lake at our home court to put us on top. This Friday, we shall challenge Lake Forest, away.

## ART SHOW

I've been asked to remind all of the high school students that the Third Annual Art Show, sponsored by the PTA, will be held on April 4. This is not limited to the art classes but is open to all students. Any form of art may be submitted but hurry - it's later than you think. The display will be in the commons, as it was last year. Don't forget, that's April 4. Let's have another great turn out.

## WRESTLING

The wrestlers were busy this week with four meets, and four more victories. They are still undefeated in conference. Tuesday, we played McHenry and won with a score of 28-12. Lake Zurich was the loser on Friday with an unbelievable score of 66-0. There were 8 forfeits in our favor.

## MARATHON DANCE

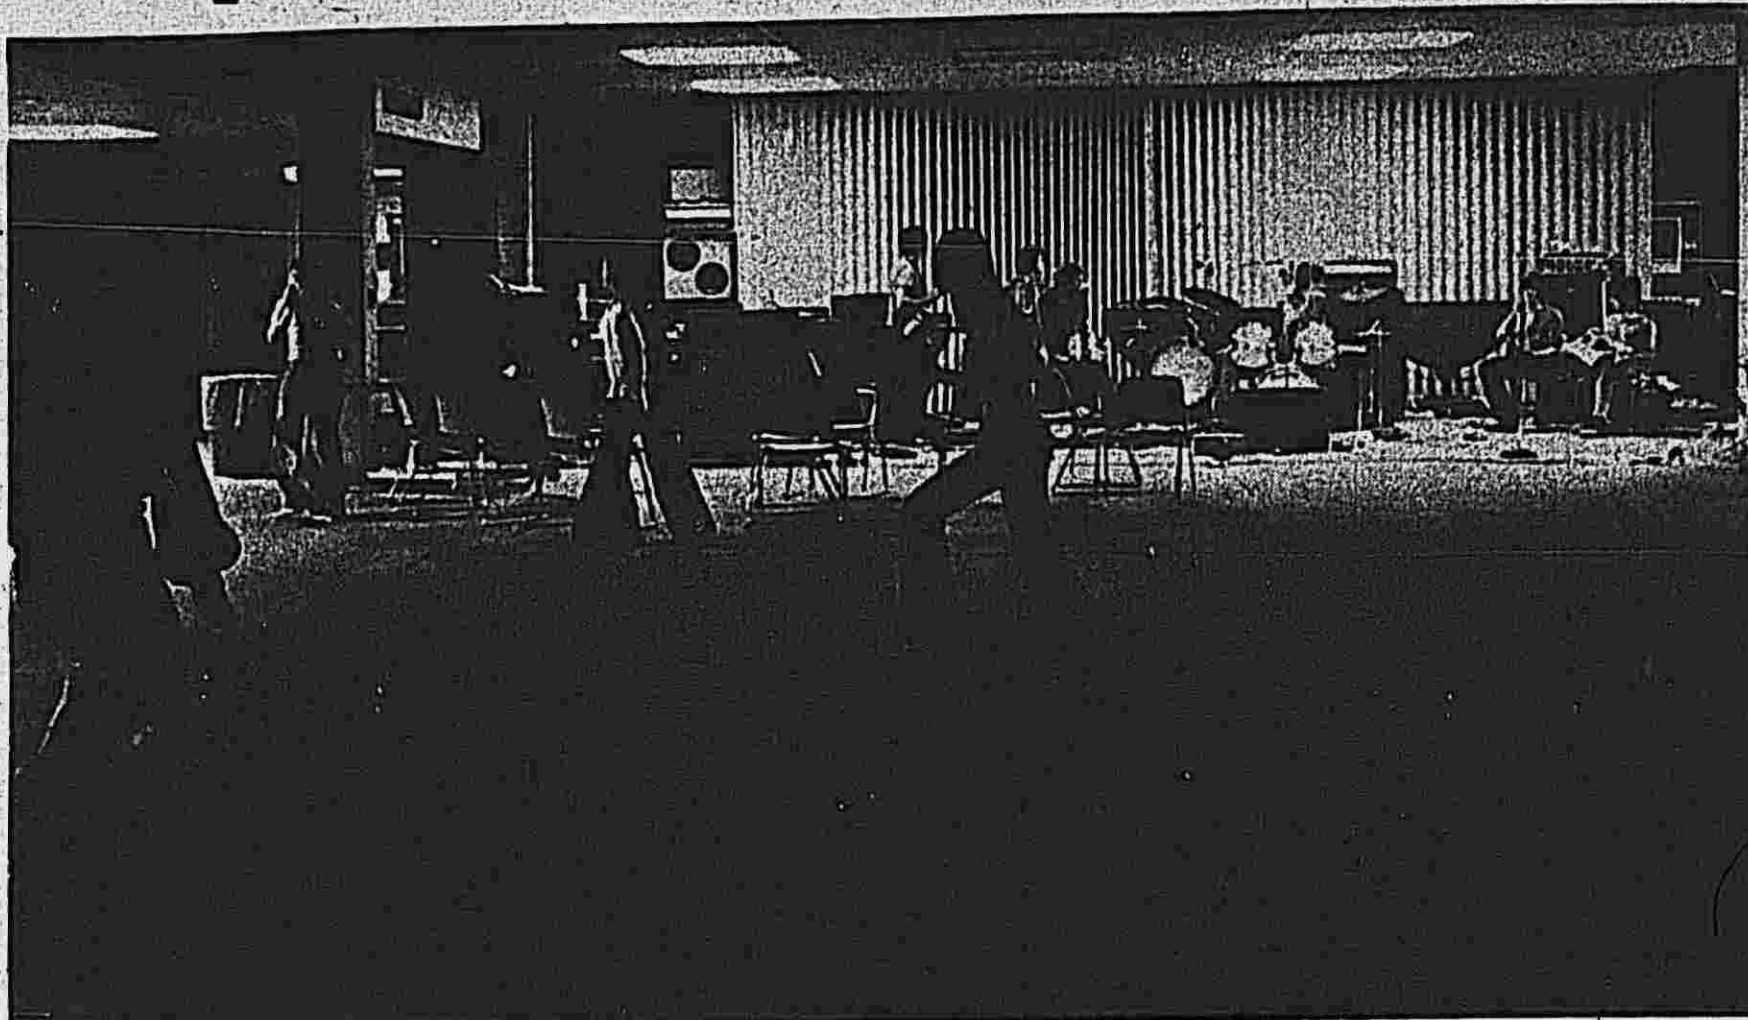

The 25-hour dance went on as scheduled beginning Friday night at 10:00 and ending Saturday night at 11:00. About 25-30 people literally danced all night to the music of Birth and Timepiece. Although, everyone did not stay all night, there were many visitors who stayed until curfew and came back the next day or evening. Curfew was enforced harshly. If you stayed until after curfew, you had to stay all night unless your parents picked you up. There was also a sponsor there at all times so it was really safer and more chaperoned than most people would imagine. The police also worked with us and helped enforce rules at the dance. It went quite smoothly. Judd Smith and Rose Levas were the winners chosen, as the couple who danced the longest. Their prize is a free pizza dinner at the Silo. I would also like to congratulate the two bands on their fine performance. I have heard a lot of compliments concerning the bands, also concerning their consistency. Those who stayed all night would like to thank Mr. Polley for bringing them food the next morning.

The following poem was submitted, she asked me not to mention her name.

## BUT YOU DIDN'T

Remember the time you lent me your car and I dented the fender?  
I thought you'd kill me... But you didn't.  
Remember the time when I spilled coke on your new rug?  
I thought you'd kill me... But you didn't.  
Remember the time I forgot to tell you the dance was formal and you came in your blue jeans?  
I thought you'd hate me... But you didn't.  
Remember the times you'd try to be serious and I'd giggle?  
I thought you'd leave me... But you didn't.  
Remember all the times I'd flirt

# Sequoit Happenings

The Looooooooooooooooong Dance !

## SUE AND GLEN COMPARE STUDENT COUNCILS

Many people feel that all high schools are alike but upon further observation, I have concluded that this statement is false. I have come to this

with other guys to make you jealous - and you were! I thought you'd drop me... But you didn't. There are plenty of things you did to put up with me...to keep me happy, to love me, and there were so many things I wanted to tell you, after you returned from Viet Nam... But you didn't.

conclusion after interviewing Glen Amundsen, who is Student Council President at Antioch Community High School. It was quite interesting to interview Glen since I am Student Council President at Beaumont High School for Girls, Cleveland, Ohio. Each school is as different as night and day, but both are spirited due to their ever present Student Council.

In both schools the main purpose of the Student Council is to form an alliance between the students and the Administration. Both councils work as service organizations. This is where the major difference enters between the two councils. Glen explained that,

"Antioch's student council serves the school by working with Homecoming, the Student Directory, dances, graduation and also through programs such as self-imposed schedules." My council serves the school through Spirit Weeks, rap sessions student exchange and special assemblies.

It was discovered that both schools have the same problem concerning apathy. Antioch High School combats the problem by the use of Rap Sessions. Beaumont combats the problem by involving both faculty and students in either a Rap Session or a breakfast meeting.

Glen stated that, "The school is backed by the community through sports and other activities." But an all girls school such as Beaumont has some trouble turning out a terrific basketball team or a smashing football team. Although the community is behind our energetic tennis team.

The thing that surprised me most concerning Antioch's Student Council is the fact that there has never been a female president!

It was interesting to learn how much our councils are alike. Antioch's student council consists of twenty-six members. Glen and I, both, put in approximately ten hours a week into our councils. Another similarity is that Glen has the Illinois Association of Student Councils, to aid him and I have the Ohio Association of Student Councils. These two organizations aid us in the firm of publications and leadership workshops.

Glen stated, "A great number of students appreciate council because they realize council is one of the things students couldn't be without."

I feel that at Beaumont, students rely on Council as a place where they can let off steam from academic pressures. Becoming involved with any type of government even student government is an education in itself. My involvement with Student Council has taught me many valuable lessons. It has taught me the value of listening to both sides of an argument, which is important in my job. It has also taught me the importance of responsibility and the vital role it plays in today's society.

OF ANTIOCH, INC.  
RTS. 59 & 173  
ANTIOCH, ILLINOIS 60002

"How do you tell the Map Department they've left off a whole street? And it's one that's been there thirty - forty years."

"I guess you just tell them. Roslyn circle, was it? Deerfield Township?"

"MmmHm." The silence lengthened; pencils scratched; brows furrowed.

"I wish we'd never said we'd do this lousy job," Terry said. "It's not ours, you know. The County Board is really the one responsible for drawing new precinct boundary lines."

"Maybe so, but I suspect their biggest contribution will be the passage of the resolution we put together for them with the help of the Map Department and the Regional Plan Commission."

I finished adding a column of figures (registered voters). "you can forget about the Regional Plan Commission. They figured it would take \$11,000 worth of their time - neither the time nor the cash being budgeted for it - and they have declined the honor. I suspect you and I will use our considerably less valuable time to do a considerably less adequate job." A pause while the maps were shuffled around and a clean sheet of scratch paper laid out. "Now then, let's try to sort out this problem between Zion and Benton Townships."

The Election Code stipulates that no voting precinct should get beyond 800 registered voters and when that figure is approached, the County Board is to change the boundaries - at the June Board meeting. With that in mind, and with the spectacle before us 98 precincts with over 800 voters, we have been hard at it, Terry and I.

"There is just no way to fix that one," said Terry. "Zion is surrounded by Benton Township - and then we have annexed this chunk of Zion here, running right to the Lake - must be where the nuclear plant is - and there's no way to connect those two parts of the old Zion Precinct No. 6."

"Old Benton No. 5 is just as bad. Maybe worse. No contiguous boundary between the two pieces."

"And if you cut it into two precincts, you've got one with maybe 400 voters and one with 80 or 100. That's dumb!"

"I don't know whether it's better to have a couple of

under-sized precincts like that - where we'd have to supply each of them with judges, booths, voting machines and supplies - or to have a mammoth thing like out in Ela No. 1."

"Don't tell me about Ela No. 1." Terry put a hand to his head. "I was out there on Election Night, if you remember and..."

"I really thought there might be a mutiny out there that day. We should have amedall struck for the five judges who worked that precinct. It must have been wild!"

"You know Ela No. 1 is a perfect example of our problem. Terry consulted a scrap of paper beside him. "In September of '71 there were 966 voters in that precinct; that's more than the law permits, but we had lots of precincts that were worse and nobody cared alot. By the Primary in '72 - March, that is - it had grown to 1,356. That was really too big, but no one had time in an election year, to fuss with it and lay out a change - to say nothing of advising all the voters that they'd been put into a new precinct - with a new polling place and so on..."

"Right. Our work is by no means done after we've drawn the line in the right place. Then we have to discuss it with the computer and send out a card to each voter whose precinct has changed..."

"Let me finish about ELA No. 1, because it's a beaut! After being 1,356 in March, it grew to 2,087 by November 7th and their ballots didn't get into the courthouse until well after three Wednesday morning."

"And that was only one of the reasons the count was so late this year. When you've got growing subdivisions like Old Mill Creek, you can't guess how fast a precinct is going to enlarge in one year."

"We're going to take a lot of flak from the parties when we get this all finished," said Terry. He is a precinct committeeman. "You're sure we shouldn't consult with them on this?"

"How can we, for crying out loud? By the time you get the 470 committeemen telling us where they want the lines drawn so it doesn't knock them out of their precincts, we'll be bananas trying to please everyone. No way, Terry."

"I sure hate to think about it," sighed Shields No. 11 morosely.

## CARMEL LADIES NIGHT OUT

A social for the Mothers' Club of Carmel High School of Mundelein will be held on Tuesday, February 6th at 8:00

## Illinois History Quiz

Prepared by the  
Illinois State Historical Society  
Old State Capitol, Springfield 62706

### Five Lincoln's Birthday Questions

1. Abraham Lincoln was born in Kentucky on Feb. 12, 1809; how old was he when he came to Illinois?  
a-11; b-16; c-21; d-26
2. How old was Lincoln when he married Mary Todd?

## ANNEXATION - PROPOSAL

continued from page 1

limits, using 1 percent of the amount in terms of sales tax, would total \$89,220. The vehicle tax, based on a \$5 vehicle tax figure would total \$4,955. The gas tax based on \$6 per person would generate \$23,118. The revenue from water systems if

the Village were to own and operate the water system within the facility based on \$3.50 per month per unit would amount to \$62,454. The sales tax from the shopping center that will be maintained on the development based on \$2 million dollars in sales would generate \$20,000.

Concerning the tap on fees it was discussed that if the Village annexed the property and were to run a forced main from the development to the Village, the tap on fee would run \$120,500, plus the similar tap on fee for the water.

However, the developers are now planning their own water and sewage system to be maintained on the development and will continue with these plans if it is suitable to the Village.

The developers of the property feel it would be more practical to go ahead with the proposed sewer and water treatment facility and then at any time the Village would like to purchase it, they may do so. The developers will sell it to them at cost.

The impact the development would have on the area schools was not neglected. A report was given to the planning commission that was issued by the Illinois School Consulting Service, Naperville, Illinois on January 22, 1973.

Mr. Santino previously made such a report and in reference to that report the Service stated, "Our consultants also reviewed plats, reports, and studies made by Mr. Santino and the Associated Planners. We found the information contained therein to be very complete and very straightforward - more so than any that we have been asked to review. In fact our findings differ very little from the statistics presented in the "Planning Report - Antioch Country Club Planned Development" dated February 2, 1972, revised February 14, 1972."

The previous report predicted 90 students generated on the high school level 9-12, where as the Illinois service predicts only 75 students. If the project is developed as a multiple unit the assessed valuation based on average daily attendance would be \$190,653. If the project is developed as single families this figure would consequently drop to \$58,095.

Where the previous estimates had been too high regarding the projected high school growth, it was too low regarding the grade schools. The Illinois School Consulting Service projects that the development will generate 332 to the previously estimated 290 students from

kindergarten thru eighth grade.

If the project is developed as multiple homes the assessed valuation per student for District 33 will be \$26,028, and for District 36, \$27,148. The total assessed valuation would reach \$43,069 as a PUD but would drop to \$17,092 if developed as single family units.

The report summarized their findings as follows:

"It is the opinion of the consultants that the project as proposed would be of much greater value to the school districts involved than would a single family unit project developed on the same acreage under the provisions of the existing zoning.

The assessed valuation per student statistics show that the subject area compares most favorably in its capacity to support public education. Tax revenue per acre from the project as proposed will be greater than that presently realized by the affected districts.

It has been indicated by the developer that 15 percent of the dwelling units may become second homes or recreational homes for families with principle residence in other communities. If this target is reached, student generation would decline correspondingly."

During this presentation Santino did not receive any answers or even any hints at answers, although he was the target of many accusations.

Laurence Dunlap, who is the attorney for the school, arrived late at the meeting and missed the discussion regarding the schools. However, he did proceed to accuse the Antioch Country Club of being more concerned with the placement of sewers than they are in the placement of additional students. He also accused Santino of trying to make the best deal, since he is now already involved with a county suit.

Mr. Santino asked Mr. Dunlap if he had seen the Illinois School Consulting Service's report regarding the development.

Dunlap said, "I read the planning report, I read the testimony and I don't believe any of it. I am cynical."

Dunlap also accused Santino of scare tactics, trying to scare the commission into annexing the property.

At the meeting the Planning Commission announced they have had several meetings concerning a PUD ordinance and they are endeavoring to draw up one. The meetings will continue over the next few weeks and a progress report should soon be given.

p.m. in the school cafeteria.

The occasion will allow the Mothers an opportunity to review all past school activities and functions to date.

A silent penny-auction will be the featured entertainment for the balance of the evening. Admission of a white elephant is requested. All Mothers are urged to attend this get-reacquainted affair.

Refreshments will be served by Hostesses, Mrs. Leonard Piekarski of Mundelein, and Mrs. Carl Johann of Gurnee.

## FAMILY COUNSELING CLINIC'S SPRING TERM BEGINS

Four personal enrichment courses will be offered beginning February 2nd at the Family Counseling Clinic in Grayslake. Registration for the courses is now being taken.

Besides the popular "Child Development and Guidance" course, Family Counseling Clinic will offer "Psychology in Everyday Living," "Today's Woman" and "Female Sexuality: For Women Only" this term. All four courses run 10 weeks and will be held at the Clinic which is located on Rte 120 just west of Rte 45 in Grayslake.

James Friedman, Director of Educational Services for the Clinic, said, "These courses give members of the community a real opportunity to expand themselves as individuals. We feel we have an obligation to share our knowledge and experience with the people in our area."

Two new continuing courses are also being offered for the first time at the Family counseling Clinic.

The weekly Diet clinic is a unique new approach to the problem of overweight. Persons wishing an explanation of Family Counseling Clinic's Diet clinic should call 223-8107 to schedule a free orientation session.

The other continuing program is a Career Counseling clinic designed by Family Counseling to aid people in making the right career decision for themselves.

J. Friedman will teach Child Development and Guidance this term. It will be offered every Friday from 10:30 to Noon beginning on Feb. 2nd. Baby sitting service is available. Cost of the course - \$15 for ten weeks.

Psychiatric Social Worker, Curt Wennerdahl, will teach Psychology in Everyday Living. Cost of the course is \$15 and it will meet every Wednesday from 7:30 p.m. until 9 p.m.

Leah Pendarvis, psychologist and Ph.D. candidate at Ohio State U, will teach the "Female Sexuality: For Women Only" and Today's Woman courses. Today's Woman will run every Tuesday from 8:30 p.m. until 10 p.m. beginning Feb. 6. Female Sexuality: For Women Only will be offered each Saturday from 9 until 10:30 a.m. beginning Feb. 3. The cost of this course is \$125.00.

Registration for all Family Counseling Courses can be handled by calling 223-8107.

## 'Ship Shape' For Boat Show

Kathleen Francour perches prettily atop a 25-ft. runabout to call attention to Chicago Boat and Sports Show, Feb. 9-18, at McCormick Place.

The weather outside may be frightful, but it doesn't have to stop you from planning your 1973 vacation whether it be on water or land.

Why? It's Chicago Boat and Sports Show time!

The colorful exposition will be held Feb. 9-18 at McCormick Place, where 500 boats, dozens of campers and recreational vehicles, rows of fishing equipment and Vacation Hall will delight young and old alike.

For youngsters there will be a Huck Finn fishing pond, 70 ft. long, 15 ft. wide and 18 in. deep, stocked with 17,000 rainbow trout. Rods and reels will be furnished to any youngster under 12 who can fish until he makes a catch.

Parents will marvel at mammoth Campers Hall where all that's new in travel and camping equipment will be unveiled in some 50,000 sq. ft. of exhibition space.

A 100-ft.-long Gun Fair will feature one of the largest collections of antique firearms ever assembled. There will even be an airplane (that's right, an airplane) on display at the show for any-

one thinking of chartering a plane to his vacation destination or taking flying lessons.

Two special boats, designed especially for the show, will be on display. These include a super airboat with speeds up to 50 mph and a bass boat equipped with the latest in fish-finding equipment and valued at \$20,000.

Visitors can meet Hugo Vihlen, the fearless airline pilot who sailed a tiny 6-ft. boat across the Atlantic Ocean from Casablanca to Florida and lived to write an exciting book on his adventure.

Bill Cody, grandson of Buffalo Bill, legendary Pony Express rider, buffalo hunter, American patriot and winner of the Congressional Medal of Honor, and Georgie White, internationally known "Woman of the River," will also be at the show.

Boat Show hours are from 6 p.m. to 10 p.m. opening day, Friday, Feb. 9. Other weekdays from noon to 10 p.m. Saturdays, 10 a.m. to 10 p.m. Sundays, 10 a.m. to 7 p.m.

Admission is \$2 for adults and 75 cents for children under 12.

## DOUBLE-CHECK YOUR TAX RETURN

### FOR ERROR AND OMISSIONS

Before sending in your 1972 Federal Income Tax Return, check it over to see if you have left anything out. A quick check of your return may eliminate errors that delay refunds and slow processing.

Mr. Roger C. Beck, District Director of Internal Revenue for northern Illinois said today that taxpayers who make final check before mailing their returns often find deductions or income they have omitted, or catch errors in arithmetic that need to be corrected before the return is filed. "A second look pays," he said.

Mr. Beck also urged citizens to use the pre-addressed,

peel-off label from the front cover of the tax forms packet on the tax return they file with the IRS.

Income tax returns with these labels attached can be processed quicker and with far less chance of error. If for any reason the name, address or social security number on the label is incorrect, make a correction right on the label. Strike through the wrong item and insert the correct information so IRS can correct its records for next year.

If you need additional information or assistance, call the nearest Internal Revenue Service Office.

## ILLINOIS CONSERVATION ARCHERS

### HELD 1973 ELECTIONS

On January 18, 1973 elections for various offices of the Illinois Conservation Archers were held. Marv Eisenhower was elected President and the following members were also elected to lead and guide the club into its sixth year of activities. John Borgers, Vice President; Mike (Murphy) Secretary; Dave Smith, Treasurer; Sandy Landt, Publicity; Walt Johnson, John Lips, and Bill Van Buskirk, Range Captains; and Fred Morris, Board Member.

The I.C.A. is presently engaged in handicap league shooting at the Sequoit Archery Lanes in Grayslake. The league

shoots are held every Wednesday night and spectators are welcome.

When spring arrives, the out-door range located on highway 21-83 just north of Petite Lake Road, will be made ready for the out-door leagues and invitational tournaments. The club also holds many club activities during the summer months. Membership meetings are presently held at Steve's Lounge on Highway 173 about 3 miles west of Antioch. Meetings begin at 7:30 on the third Thursday of each month. Interested persons are welcome to attend.

## 1973 COMMUNITY

### DEVELOPMENT CONFERENCE

Public officials, professional developers, and spokesmen for citizen's groups will wrestle with the problem of growth and development of Lake County at a day-long conference aimed at municipal officials, the construction industry, land owners and developers.

The Lake County Home Builders Assn. will sponsor the 1973 Community Development Conference, Saturday, Feb. 10 at the Ramada Inn, Highwood.

Lake County Board Chairman Ronald R. Coles, of Lake Villa, will open the conference at 9 a.m. with a welcoming address to the delegates to the conference.

Setting the tempo for the program will be a two-sided discussion on the subject "Is Development of Lake County Inevitable?"

Taking the affirmative position will be Richard J. Brown, President of Richard J. Brown, Inc., a major housing development firm, and Rodney J. Engelen, Senior Vice President, Barton-Aschman Associates, Inc., of Chicago, planning consultants.

Taking the opposite view will be Mrs. Eva Schwartzman, Libertyville and Green Oaks attorney who represented Green Oaks in a recent court battle opposing the annexation of a large tract to the City of Waukegan, and Nate L. Naden, president of AIM, a citizens' group devoted to maintaining and improving the character of Lake County. Opposing views of "Professional Look at Development" will be presented by Dr. Robert Ducharme, deputy director of the Northeastern Illinois Planning Commission, and Don Klein, Executive Director of the Barrington Area Council of Government.

Benefits of controlled devel-

opment will be outlined by Gerald Estes, Director, Lake County Regional Planning Commission, and Ivan J. Alten, Director of Urban Development for Kane County.

The luncheon recess will feature a speaker from Washington, courtesy of the Waukegan News Sun.

Following the luncheon break school problems resulting from development will be discussed by Fred W. Burnham, Executive Vice President, Illinois School Consulting Service, of Naperville, and sewer problems involved in development will be explained by H. William Byers, General Manager, North Shore Sanitary District, and Robert J. Degen, Director, Lake County Public Works Department.

The final area of discussion, "Good Developments Work" will be presented by William L. Nelson, AIP, President, Nelson and Associates, Inc., of Milwaukee.

Following a coffee break hosted by the Chicago Title and Trust Co. the speakers will conduct a question and answer session based on questions to be prepared during lunch and the coffee breaks.

Registration fees of \$10 for public officials and \$20 for all others will include copies of all speeches, biographical sketches of the speakers, coffee breaks and lunch.

Special displays of planning concepts, planning maps, and highway proposals that are already a reality or are in the planning stage will be on exhibition at the Ramada Inn.

Tickets for the conference are available from Gerald H. Clausen, Coordinator, "73 Community Development conference, 4 S. Genesee St., Waukegan.

## G.I. BILL BENEFITS FOR KOREAN VETERANS DEADLINE NEAR

May 31, 1974, is a crucial date for most post-Korea veterans who have not started to use their G.I. Bill education benefits.

That is the date their benefits expire, and Veteran's Administration officials point out that unless they begin training soon, they could lose part or all of their benefits.

"If a veteran is thinking of using his G.I. benefits at the

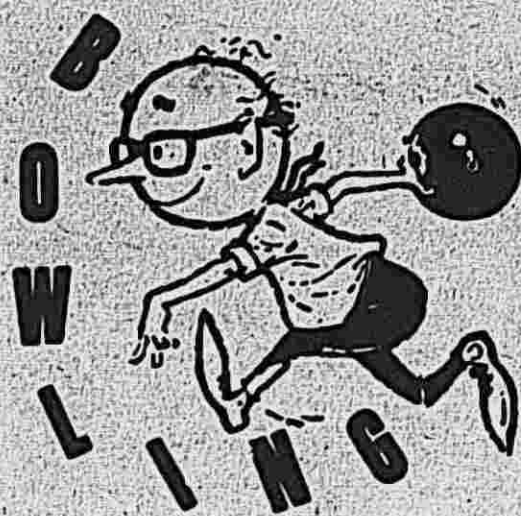

College of Lake County now is the time," according to Sam Mazman, college financial aids director.

The deadline applies to post-Korea veterans discharged from military service between January 31, 1955, and June 1, 1966. These vets have until August 31, 1975, or eight years after discharge, whichever is later, to complete training.

## PLANS FOR WAUKEGAN SPEEDWAY UNVEILED

Promoter Gordon Sill of the Waukegan Speedway unveiled plans for the 1973 stock car racing season at the popular 1/4-mile track last Wednesday night before a meeting of area sportsman drivers.

Sill plans to open the 1973 season on Saturday night April 7 with a full late model sportsman and hobby stock car program. Sunday night racing will start on May 6 and feature the return of the late model super stock class of cars.

The two classes of late model cars - sportsman and super stock - will mean different drivers and cars from Sat. to Sun night as was the case at Waukegan through 1968.

A healthy fixed-rate purse is being offered for the super stock class on Sunday night. Following the trend set by many other tracks, Sill feels the fixed purse will end problems previously caused by percentages of the gate, pay-point systems, point funds, bonuses and various other methods of distributing the prize money.

With the exact prize for each position spelled out before race date, sportsman drivers agreed driver-promoter relations will improve considerably. The group present then asked to also be put on a flat-purse basis and Sill agreed. The total Sat. night purse was then named and approved - all that remains is to decide what portion of the total will go to each position.

Rule book and a membership letter are being mailed to each 1972 member. Others interested may write to the Speedway at 3305 Washington St., Waukegan, Ill. 60085 for the rules, letter and pay-off schedule.

## SEQUOITS MATMEN WIN-- AWAIT N.W.S.C. SHOWDOWN

The Antioch High School Sophomore wrestlers had a busy schedule this past weekend with victories over Lake Zurich, Woodstock, and Mundelein. On Friday evening, the Sequoits destroyed Lake Zurich by a score of 54-5. The Sequoits were in complete control losing only one of twelve matches. The win left the Antioch matmen with a 6-0 N.W.S.C. record, and set the stage for this Friday's confrontation between second place Round Lake Panthers and the league leading Sequoits.

**SOPH N.W.S.C. STANDINGS**

	W	L	T
Antioch	6	0	0
Round Lake	5	1	0
Grant	4	2	0
Warren	3	2	1
Grayslake	3	3	0
Wauconda	1	4	0
Lake Forest	0	4	1
Lake Zurich	0	6	0

On Saturday, the final score was Antioch 34, Mundelein 17. The win marked the first time ever that Antioch Sophomore wrestlers have been able to beat Mundelein High School. Leading the Sequoit attack with pins

were John Davis and Mike Jones. Other Antioch winners were Dennis Thain, Steve Olsen, Jim January, Dale Eastman and Rich Coari. Because of a Woodstock High School office error, the Woodstock Sophomore wrestlers failed to make the trip to Antioch, and were forced to forfeit to Antioch by a score of 72-0. The three weekend wins brought the Sequoit over-all season record to 17-1.

This weekend will be the final two days of the regular season for the Antioch wrestlers. On Friday, February 2, 1973 Round Lake will visit Antioch for the N.W.S.C. showdown for first place. The match will begin at 6:45 p.m. On Saturday, February 3rd the Sequoits travel to Barrington for a 1:00 p.m. match. The following Saturday, February 10th the Sophomore Sequoits will attempt to defend their first place crown in the Northwest Suburban Conference Tournament to be held at Lake Zurich, Illinois.

## SEQUOITS WHOOP BULLDOGS

Another exciting game took place in the Antioch gym last Friday night as the Sequoits took on the Grant Bulldogs. The fast pace game did not lack excitement as the scores remained close and the cheers sounded loudly from both sides. When the final buzzer sounded Antioch was in the lead 57-50.

The first quarter did not give a hint to its outcome. Antioch was a bit slow to shoot and seemed to be having trouble breaking through Grant's offense. Grant was able to score during the first 7 seconds of the game and it wasn't until a few minutes later that Tim Mieure finally broke through with a long shot, making the first two points that were to lead to Antioch's victory.

Sequoit Fred Popp played an enthusiastic game, and seemed to really put his heart into his efforts. Popp made an excellent rebound in the first quarter and then turned and travelled proudly down the court with the ball only to have it stolen away from him. Popp promptly rebounded the ball, but ran into some more difficulty as he lost

it due to traveling.

At half time Antioch was losing 23-26 and things looked tense.

Coach Andrews said, "The turning point came in the third quarter. We had a couple of fast breaks along with hitting 6 of 10 shots from the field to give us some offensive momentum."

The third quarter was indeed a turning point as Antioch's offensive and defensive both seemed to be strengthened and the score at the end of the third quarter showed Antioch in the lead 40-37.

Things became a little tense as the last quarter began. Fred Popp and Mike Gutowski, who are both starters fouled out with 7:39 and 7:17 minutes to go, respectfully. However, Charlie Chapman, John Janosko and Mark Maras did a good job of replacing them.

Another thing that helped the Sequoits during this last and critical quarter was that they were able to keep their poise and didn't get excited causing them harmful fouls or mistakes. Most of Antioch's points that quarter were derived from the

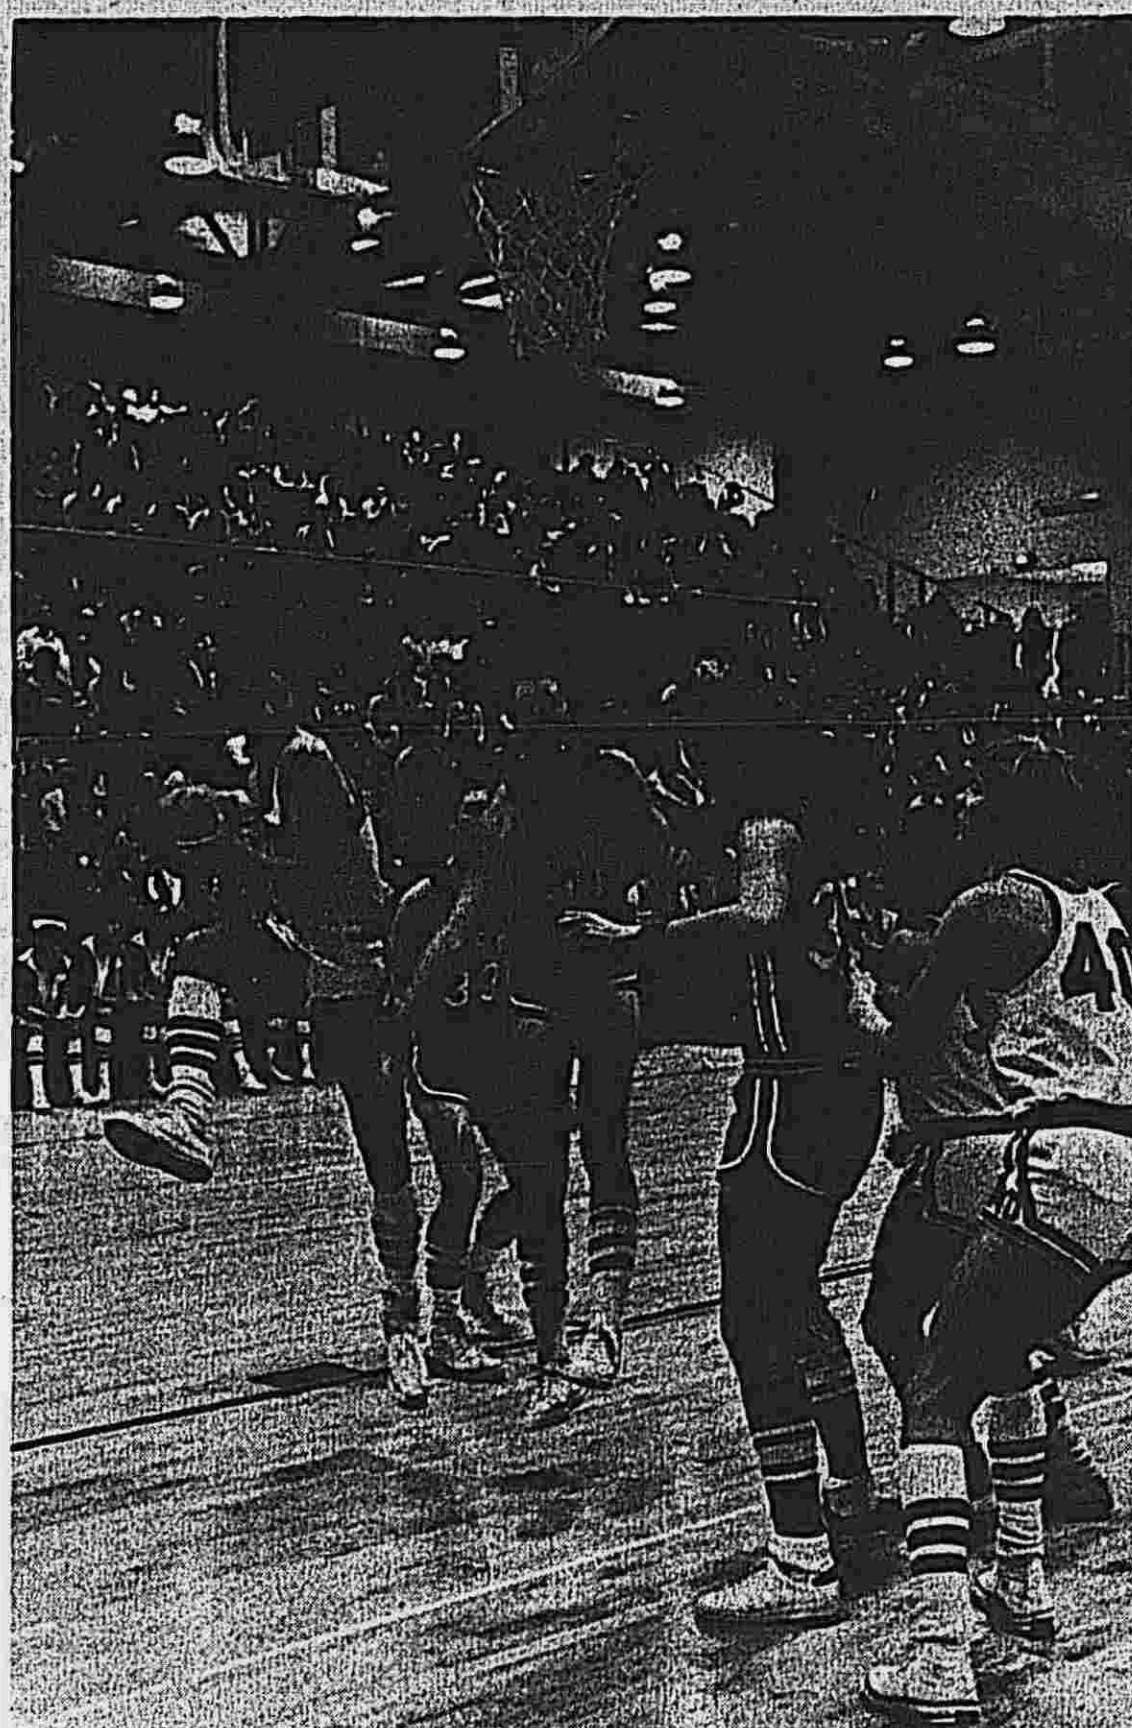

many free throws as foul after foul was called against Grant. Tim Mieure was fouled in the last 45 seconds of the game and consequently scored two more points for the Sequoits. Mieure scored a total of 26 points.

Notable rebounders were Mark Andrews with 12 rebounds and Vic McGuire with 7.

The Sequoits will take on Lake Forest next Friday February 2nd on their court, and Round Lake, who is currently in first place on Friday, February 9th on the Sequoits home court.

## ICE FISHING DERBY PLANS

Eskimo-type fishermen and winter sports enthusiasts will strike a virtual bonanza in prizes worth \$5,000.00 in a two-day carnival of fun and profit, Saturday and Sunday, February 17th and 18th, on the south end of Channel Lake, off of Route 173, three miles west of Antioch.

On that date and place the combined 885 Civic Club and the Northern Illinois Conservation Club's Annual Ice Fishin' Derby will be held. Lucky anglers will take home over 150 prizes for catching 10 species of fish during this piscatorial jamboree.

A prize will be given every hour to the one who catches the largest fish of each species, with the first judging at 10 a.m. each day of the derby, until 4 p.m.

A prize will be awarded for

the largest fish of each species caught for the two days, and a grand prize for the largest fish caught during the derby.

Included in the prize categories are northern pike, black bass, sunfish, crappie, bluegill, striped bass, perch, catfish, and bullhead. Prizes will be won for the oddest fish caught each day, for the best ice fishing shanty on the ice and for the most colorful shanty as well as for the oldest licensed lady and man fishers.

There will be prizes for winners of twelve special events, including a men's Hole Making Contest, with auger, a ladies Auger Contest, a men's Chisel Contest, ladies Fishing Contest in the freshly made holes, children's (6 to 12) Fishing Contest, boy's and girl's (8 to 12) Sack Races, ladies Sack Race, Men's Sack Race, and Ice Skating races for boys

and girls. There will be a penny scramble for very small kids who will pick 500 pennies out of a pile of straw on the ice.

Top prizes of the event are a 30 H.P. Arctic Cat Snowmobile, a Zenith Console Color TV, a Las Vegas trip for two, a twin snowmobile trailer and two snowmobile suits, (his & hers), and many other valuable prizes.

Donations keep coming in to derby headquarters and by derby day may well exceed the \$5,000.00 mark by a good margin. This is the first time the 885 Civic Club and the Northern Illinois Conservation Club have joined forces in staging this event. They previously held separate derbies but by combining the two jamborees were able to more than double the prize list.

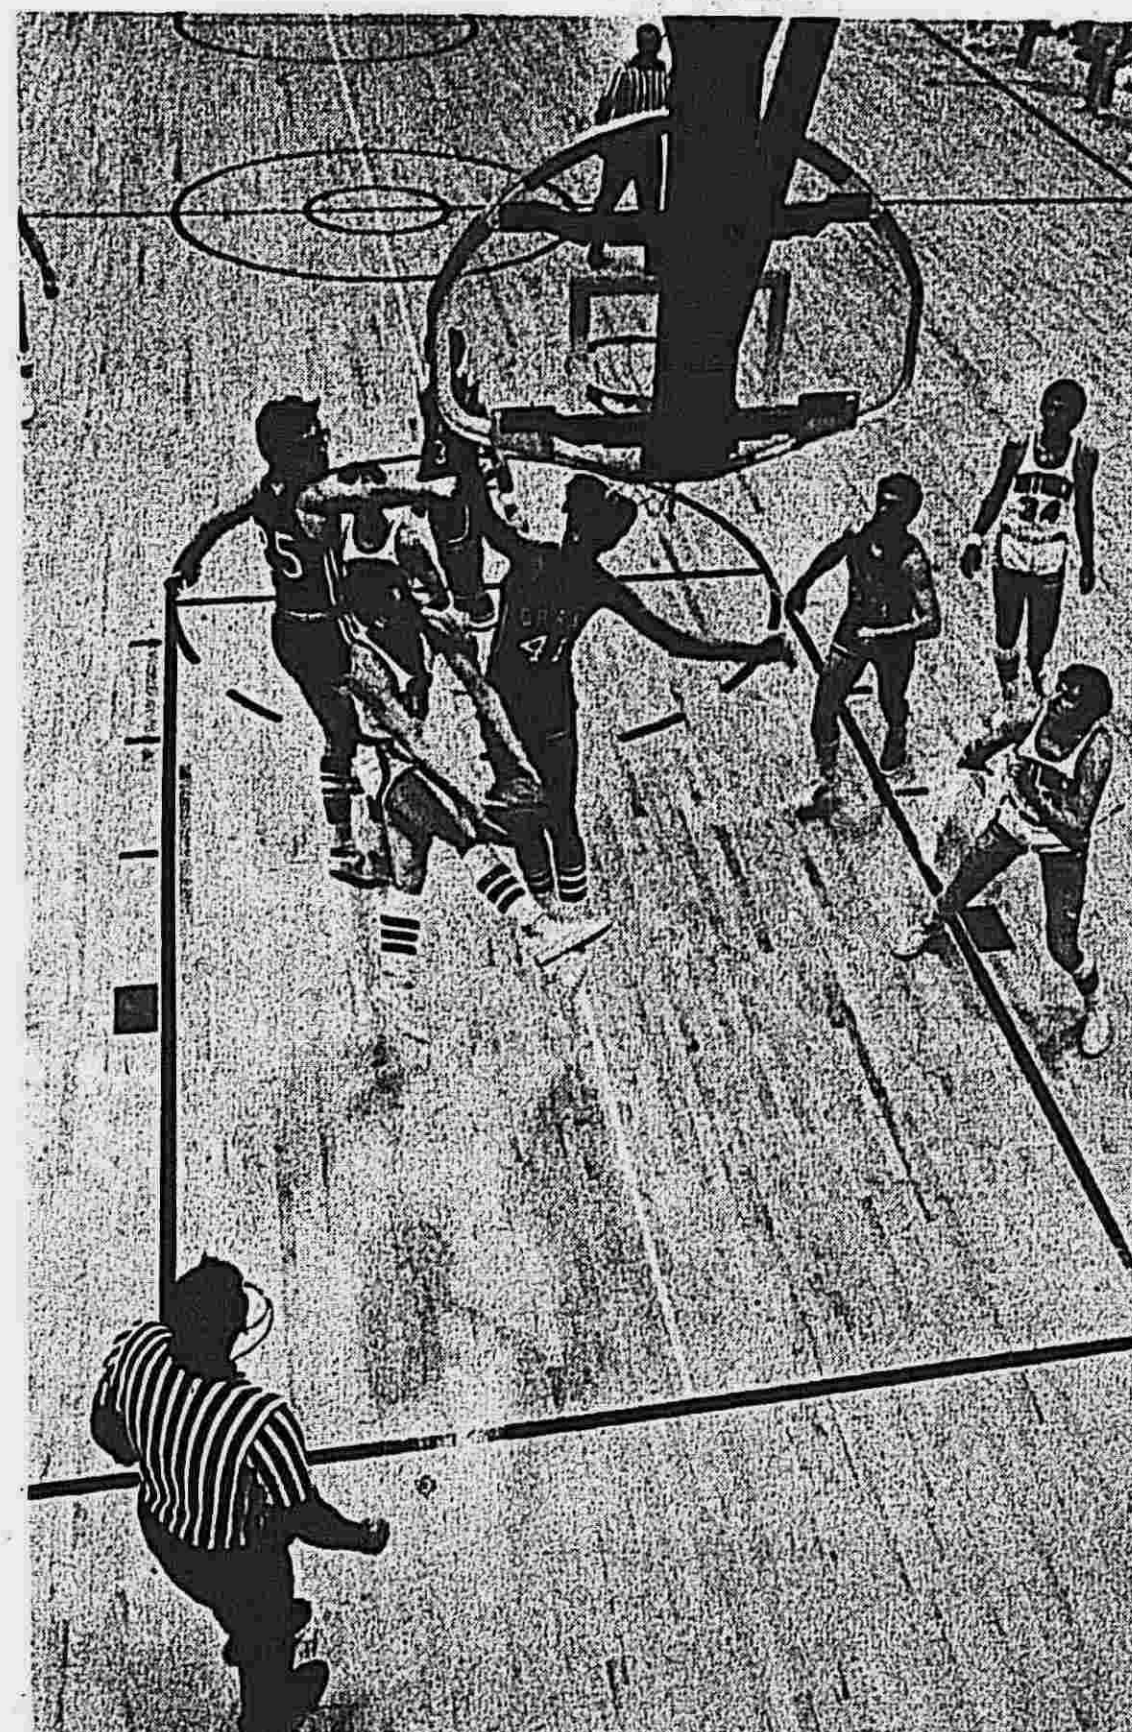

Plenty of supervised free parking will be available near the derby site. Warming salamanders will be spotted at various places on the ice for contestants and spectators.

A headquarters building will be on the ice, as will a snack shack, where hot sandwiches and drinks will be served all day by ladies of the two clubs.

Sheriff Pat Clavey and a detachment of off-duty snowmobile mounted deputies will be on hand to transport fishermen and their catches to and from HQ building, and to assist the attending public in any way.

The derby starts at 9 a.m. each day and ends at 4 p.m. Rules for all events and contests will be posted on the ice.

All of the net proceeds from this event will be used to implement the 885 Club's civic programs and the NICC's conservation program, said co-chairmen Dick Waters and Charles P. Rayman.

Tim Mieure tries to break through Grant's tight offense to go up for a lay up in last Friday night's game. Mieure was again the high scorer with 26 points to his credit. (Staff Photo)

## RIFLES BREAK EVEN IN '72

The directors of the Lake County Rifles said Saturday (Jan. 27, 1973) they have received an offer from an investor to buy control of the professional football team.

Purchase of the stock would consist of the 51.7 per cent of the outstanding shares now controlled by Meister Brau, Inc. The directors declined to name the new investor but said they favor the purchase.

The Rifles under a new set of officers and directors approximately broke even financially in 1972 even though Meister Brau, Inc., went into bankruptcy leading to many financial and operating problems for the

team. In the past years the club had lost considerable money but Meister Brau had made up the loss.

Many new steps are being initiated by these officers to assure Lake County and Chicago area football fans of a financially sound company that will keep the Lake County Rifles as one of the major minor league football powers in the United States.

Last season the Rifles had the best record in the Southern Division of the Central States Football League but lost in the playoffs for the league championship.
